## VI. RESOLUTIONS, REPORTS, AND FINANCIAL DISPLAYS

### A. RESOLUTIONS

#### RESOLUTION No. 1

##### BOARD OF TRUSTEES

WHEREAS, the Casselberry Road property which is now used as the home of Mrs. William T. Watkins has an indebtedness against it of approximately \$6,000.00, and,

*Whereas*, there are needed repairs and decorations which could most conveniently be done under the supervision of Mrs. Watkins, and,

*Whereas*, a member of her family felt that the following resolution is the most satisfactory solution to any other alternative, and,

*Whereas*, there remains and will remain fruits of the labor of Bishop Watkins and great respect for his widow,

*Be It Resolved* that the Board of Trustees of the Louisville Annual Conference are directed to convey the real estate on Casselberry Road to Scott Watkins as trustee for his mother, or as Scott Watkins may direct, with the grantee paying the existing mortgage of approximately \$6,000.00 against the property in return for a written release from the grantee of all obligations that are owed to Mrs. Watkins. That upon the death of Mrs. W. T. Watkins, the trustee of her estate shall refund to the Board of Trustees of the Louisville Annual Conference any and all lawful equity that they might have in this said property, for the Mutual Benefit of both Louisville and Kentucky Conferences.

#### RESOLUTION No. 2

##### THE MISSION OF METHODISM

WHEREAS, it is the conviction of our Kentucky Conference that Jesus Christ is Lord, and that it is our mission to make His name and message known, loved, and obeyed throughout the world, and

*Whereas*, from her beginnings Methodism has been concerned with a world mission, following the direction of her founder, John Wesley, who declared, "The world is my parish," and

*Whereas*, across these years loyal Methodists have supported the world mission of the Church until the voice of God through Methodism is heard all around the world, and

*Whereas*, the mission of Methodism is perhaps more needed than ever before in the tensions and crises of our time, and

*Whereas*, this world mission of Methodism with her many institutions of healing and learning, her trained and dedicated missionaries, and her growing and able native leadership all look to our local churches and must depend on them alone for support, therefore

*Be It Resolved*, that

1. We urge our churches in the Kentucky Conference to support World Service with full acceptance and payment of the same, and
2. That all our churches give serious consideration to the many and varied opportunities for mission support offered by the Advance For Christ and His Church, and in particular our Conference program for the Advance with Specials in the Division of World Missions at Clancy High School in India, in the Division of National Missions at Alaska Methodist University, in the Conference by supporting Methodist Mountain Missions, and by continuing support of the excellent work of The Methodist Committee on Overseas Relief, and
3. That, since our total support is needed in the world mission of Methodism, and our missionaries and mission institutions have no other place to look for financial undergirding except our local Methodist local churches, we discourage our churches

- from undertaking the support of other missionary endeavors not related to The Methodist Church, worthy though they may be, and
4. That all funds raised in our Methodist Churches for missionary support be directed through the channels of our Kentucky Conference Treasurer for the maintenance of our significant world-wide witness to Christ through The Methodist Church, and
  5. That our District Superintendents, when discussing World Service and the Advance program at the first Quarterly Conference in each church during this coming year, be asked to convey the intent of this resolution to our people.

Signed:

EDWARD L. TULLIS  
ROBERT L. ANDERSON  
RUSSELL R. PATTON

### RESOLUTION No. 3

#### PERCENTAGES AGAINST PASTOR'S SALARIES

WHEREAS, there is at the present time a total of 33¼% assessment against the pastor's salary, which creates a problem in many churches of the conference to encourage low salaries, and,

Whereas, many of our capable young men of this conference are transferring to other conferences, partly as a result of this, and,

Whereas, a re-distribution of the percentage assessment to take the load directly off the pastor's salary could encourage a change of this situation in many churches,

Be It Therefore Resolved, that the Kentucky Annual Conference, in regular session at Eastern Kentucky State College, Richmond, Ky., June 4-7, 1963, instruct the Board of World Service and Finance to devise a plan to alleviate the load of the percentage assessment on the pastor's salary, other than those specified by the *Discipline*.

### RESOLUTION No. 4

#### SABBATH BREAKING

WHEREAS, There is an increasing desecration of the Lord's day in such a way as to lower the spiritual value of this day as a day of worship and Christian Education, by making it into a holiday instead of a holy day, and,

Whereas, the commercialization of the Lord's day is increasing, and if allowed to continue, will eventually result in all business places staying open on Sunday for competitive purposes, thus resulting in more and more persons having to be employed on Sunday and deprived of the privileges of spiritual growth by worship in the Lord's house, and by weakening the foundations of the Christian home, and,

Whereas, the General Rules of The Methodist Church plainly state that "It is therefore expected of all who continue therein (as members of the society of Methodists) that they shall continue to evidence their desire of salvation, First, by doing no harm, by avoiding evil of every kind, especially that which is most generally practiced, such as, . . . The profaning the day of the Lord, either by doing ordinary work therein or by buying or selling," and,

Whereas, it is the responsibility of each individual Christian to set the proper example before the world in order to lead them into the saving grace of Jesus Christ,

Therefore, Be It Resolved, that the Kentucky Annual Conference in regular session June 4-7, 1963, at Eastern Kentucky State College, Richmond, Ky., go on record as opposing the commercialization of the Lord's Day and the general practice of making it into a holiday instead of a holy day,

Be It Further Resolved, that the ministers of the Conference be urged to preach on the spiritual values of the Lord's Day as a day for the worship of God and Christian Education and the values of the Christian Home,

Be It Further Resolved, that the people called METHODISTS be urged to use their example and influence in whatever way is legitimate and Christian to discourage the use of the Lord's Day as a holiday and/or for commercial purposes.

## RESOLUTION No. 5

## U. S. ARMS CONTROL AND DISARMAMENT AGENCY

WHEREAS, the U. S. Arms Control and Disarmament Agency was established by the Congress of the United States in 1961, as a temporary Agency to advance the cause of national security through safeguarded disarmament; and

*Whereas*, on June 4, 1963, the Senate Foreign Relations Committee acted to keep the Agency on a temporary basis for two more years; and

*Whereas*, the Senate Foreign Relations Committee authorized only \$10 million instead of the \$15 million requested; therefore

*Be It Resolved*, that the Kentucky Annual Conference of The Methodist Church in session at Richmond, Kentucky, express its regret to the Senate Foreign Relations Committee that this action was taken; and

*Be It Further Resolved*, that the conference request the Senate Foreign Relations Committee to give permanent status to the U. S. Arms Control and Disarmament Agency and grant sufficient funds for it to operate.

## RESOLUTION No. 6

## SMOKING AND LUNG CANCER

## SUBMITTED BY THE BOARD OF CHRISTIAN SOCIAL CONCERNS

WHEREAS, the rapid rise in lung cancer has brought about an increasing concern among such organizations as the American Cancer Society, the United States Public Health Service, The British Medical Association, and many other organizations and individuals; and

*Whereas*, The General Conference of The Methodist Church in 1960 said, “. . . in the interest of a larger Christian influence and service, we urge our people to abstain from the use of tobacco in all its forms. We remind our membership that the principle of right example must be considered in regard to the use of tobacco. Organizations and institutions related to The Methodist Church should refrain from accepting and printing advertisements for tobacco in their periodicals; therefore

*Be It Resolved*, that in view of the statements made by the American Cancer Society, the United States Public Health Service and its Surgeon General, the British Medical Society and the General Conference of The Methodist Church that we call upon the Church, its institutions and the membership of the Kentucky Conference, to give prayerful consideration to the relationship of smoking and lung cancer; and

*Be It Further Resolved*, that all possible efforts be made by the ministers of the Kentucky Conference to educate the youth of our Conference and local communities of the danger of smoking as it relates to lung cancer.

## RESOLUTION No. 7

## DEATH OF POPE JOHN XXIII

We the delegates of the Kentucky Annual Conference of The Methodist Church join the World Christian Community in expressing genuine grief to our brethren of the Roman Catholic Church in their loss and our loss in the death of their unusually loved leader, Pope John XXIII, and we regret that this true sense of sorrow and grief has suffered through the intrusion of an unwarranted and unwelcomed delegation from the government of the United States appointed to attend the funeral, a representation that violates our understanding of the provisions separating Church and State.

### REPORT NO. 3

#### DISTRICT SUPERINTENDENTS

##### a) Ashland District

RUSSELL R. PATTON, *Superintendent*

The Ashland District consisting of 52 charges, 95 churches with 13,221 members is served by 59 ministers. Of these 21 are Conference men and 38 are approved supplies, part time supplies or local preachers.

In the field of Evangelism it has been a good year although the results did not meet our expectations. We received 376 on profession of faith, 260 by transfer and

from other denominations. Our total net increase was 194. Many are converted at our altars who join other churches often not friendly to Methodism. We have failed to give our people and communities in many instances a true image of Methodism and unfriendly critics persuade many of our converts to unite with other groups. We need a warm-hearted evangelism that will strengthen the local church in its service to the community and the world.

The emphasis on Aldersgate and the experience of John Wesley has met with a good response on our district. The ministers of the district met in a spiritual retreat with Dr. Howard Whitaker as leader on September 13, 1962 at the Louisa Methodist Church. We observed a twenty-four hour prayer vigil for two different months in our district. The Epistle to the Romans has been studied in many of our churches. Many pastors preached sermons dealing with the heartwarming experience of John Wesley.

The County Wide Revival in Floyd County should be mentioned. In August of 1962 all our churches in Floyd County united in a county wide emphasis that brought the message of Christ to many people. This resulted in many conversions and the quickening of the life of our churches in the entire county.

Our district participated in the Southern Appalachian Study Conference at Lake Junaluska August 22-29, 1962. This Conference had as its chairman our own Bishop W. C. Gum. Dr. W. D. Weatherford of Berea, Kentucky and Black Mountain, North Carolina, director of the Southern Appalachian Studies gave council and guidance to the conference. They considered a four year survey of the region covering its religious, social, cultural and economic life and sought to develop a ranged program of action. Rev. E. L. Tullis, Rev. H. M. Wiley, Rev. W. B. Garnett, Jr., and Rev. R. R. Patton represented our district.

The Youth Work of our district calls for special mention. On March 30 our Mid-Winter Institute was held in First Church Paintsville with 188 young people in attendance. The theme, "Operation—Life" was given to the conference. Courses were offered on Methodist's "Beliefs and Daily Living" and "Your Problems and You."

Early in the Conference Year the district superintendent invited the local presidents of the M.Y.F. to meet with him as his guests in Louisa Methodist Church. Rev. William Hugh Smith presented the youth program. Six sub districts meet regularly each month in the district with good attendance.

The flood during the week of March 11, 1963 struck many of our churches with devastating suddenness. The following churches suffered damages, some were more severe than others: Allen, Betsy Lane, Dwale, Emma, Mayo, Paintsville, Pikeville, Prestonsburg Community, Wayland, Garrett, Martin, Maytown, Salsbury. Pikeville and Mayo Paintsville took care of their own damages, but the other churches and parsonages were greatly aided by the flood relief offering. Our many expressions of gratitude go to the Methodist people of Kentucky and the Louisville Conferences for the aid they gave in our hour of distress.

In the field of Church Extension ground was broken for our new church in Pike County on May 19, 1963. This new church will minister to a section untouched by our church. This church was made possible by Crusade funds.

The work of the Woman's Society of Christian Service is cause for special pride. 53 societies are organized in our district. They represent a membership of 1,861. This with the Wesleyan Service Guild having membership of 176 makes a total membership of 2,037. Our women are faithful in studying the mission text books and are constantly seeking to inform themselves in regard to world needs.

The work of our Methodist Men continues to advance. Workshops have been conducted for our lay leaders. We are stressing the importance of certified lay speakers and the place of the church lay leader. The laymen sponsored two workshops on the proposed hospital and medical care program. The ministers of the district sponsored two additional meetings on hospitalization and medical care. We have paid on Crusade as of May 25, 1963, \$81,089.50.

We have cooperated with the conference church program in the Ashland District. Sub District meetings must be held. Some times it is necessary to conduct two, three or four meetings dealing with a particular conference project. We have given our support to the following causes this past year. By conducting special sub district meetings in which these causes were presented: Hospital Day, Our World and Conference Missionary Program, Race for Peace, World Service and Conference Benevolences, Trafco, The Appalachian Program, Vacation Church School Institutes, Church School Evangelism and studies in our new church proposed school literature, and in the

Hospital Care and Medical Program. We have tried to help our church bear its witness to these causes and to the supreme need for Jesus Christ and His Gospel during these challenging days.

**b) Barbourville District**

**WILLIAM F. PETTUS, Superintendent**

The Barbourville District had a Full Representation of Delegates attending the Appalachian Conference which was held in Lake Junaluska the First week of August 1962.

In keeping with this program, we invited Dr. W. D. Weatherford to a Mass Rally in Harlan on the 3rd Sunday in November, which was well attended and gave a real inspiration to the people.

We also scheduled Dr. J. W. Sells for a 2 days Workshop for the Churches of Harlan County during the 3rd week of January—however this was cancelled by the ice and snows on the highways.

The Program of Evangelism in the Church School was presented in 10 Sub-District meetings in a very effective manner.

3 Sub-District meetings were held in which the work of the laymen, the coming Aldersgate Year Revivals, and the possible plans of Hospital and Medical Expense Program were all discussed.

The response of all Financial Programs has been good. However—the effects of the reducing financial economy is being seen in a number of our Churches.

We have made some real progress in reducing our Church Building debts. The District Project at Manchester was cleared of its debt, and the Manchester Church was dedicated on May 7th.

An outstanding accomplishment of the year was the building of Educational Rooms on to the Bach Memorial Church by The Methodist Mountain Missions.

A new church has been acquired in Corbin.

Needless to say that many of our Churches and many of our people were seriously damaged by the Floods during the month of March. We are very grateful for the wonderful response which so many people made to the call of Flood Relief. The Funds received have been a real lift to our Churches and brought a spirit of encouragement to our people.

Many of our pastors and laymen have been diligent in their efforts to win souls for Christ and the Church.

As Superintendent of this District, I do want to express my sincere thanks to every pastor and to each layman who has given of themselves to the work during this year.

**c) Covington District**

**JOHN W. WORTHINGTON, Superintendent**

*Introduction*

At the close of my report last year a layman said, "You didn't toot your horn enough." If horn tooting is the order of the day, the music now begins.

*Aldersgate and Evangelism*

This year, accompanied by G. W. Townsend, the District Secretary of Evangelism and A. E. Atkinson, the District Secretary of Social Concerns, the Superintendent conducted a series of Subdistrict Institutes on Educational Evangelism and Christian Social Concerns. The Institutes began on November 13 and concluded on December 13. They were thirteen in number. The average attendance was not thirteen but thirty-five.

A large number of our local churches have gladly entered into the spirit of Aldersgate. Many pastors and churches have found the study of the Book of Romans inspiring beyond expectations. In the Covington District there is a new interest in the study of the Bible.

On May 18, Dr. David Seamonds spoke at our District Youth Rally at Erlanger. Attendance was good with many rededications and commitments to Christ.

In spite of the violent purging of several rolls we are glad to report a net gain in membership of fifty. Our churches are getting ready for the Simultaneous Aldersgate Revivals in the fall.

*Stewardship*

The Covington District claims the honor of having the longest record in the Conference of being on the so-called Quarterly Settlement Honor Roll. The time, as

best we can determine it, is fifteen years. Please remember that this record is not maintained by tradition or generosity alone. It is the result of splendid cooperation by pastors and laity plus eternal vigilance.

Henry and Mary, average Methodists of the district, are giving more to the Lord than ever before. This is evidenced by increases in giving to World Service and Conference Benevolences, Higher Education, the Crusade for Education and Church Extension, and ministerial support.

#### *Property*

Churches of our district haven't been remiss this year in attention to the Lord's property. California has completed the renovation and modernization of her parsonage. Burlington purchased a beautiful one and one-half story brick dwelling for the pastor. First Church, Covington will dedicate her elegant new parsonage next Sunday.

Eggleston has fully recovered from a devastating flood early in the conference year. Florence has accomplished efficiency and sacred art in the remodeling of the sanctuary. Concord, on the Butler charge, and Oakland have installed lovely oak pews and have made other improvements. Pine Grove has been making alterations and Grace, Newport has redecorated the church's entire interior. Williamstown, under the capable leadership of Reverend C. B. Hogg, is coming forward with an educational annex. Both Trinity, Covington and Erlanger are in expansion programs, the latter having purchased adjoining property recently. At Alexandria, Dr. N. G. Zinn gave to the church a well located city lot of over two acres, in memory of the late Mrs. Zinn. Immanuel, this year, celebrated the complete debt retirement on her building. Other churches are proceeding ahead of schedule.

#### *Education*

This year we conducted thirty-nine Vacation Church or Bible Schools, an increase of five schools with an increase in enrollment of four hundred and twenty-four.

We have mentioned the Institutes on Religious Educational Evangelism.

Last June the district ran a well organized Christian Adventure Camp. Another will be held this month. In February, in spite of severe weather, seventy-five senior and older youths attended our District Midyear Institute at Grace Church, Newport.

We gladly report an increase of thirty-one classes or groups using approved Methodist lesson materials and a decrease of ten of those not using our own materials. Our subscriptions to *Together* magazine have increased seventy-eight.

#### *Tribute*

Words fail to express the Superintendent's appreciation for the pastors and loyal laity who, like the firemen in the hot, dangerous, unglamorous hold of the old-fashioned naval man-of-war, have toiled on making the above victories possible. To every one of them I wish to give a hearty "Thanks! And may God bless you."

#### **d) Danville District**

**RALPH G. WESLEY, Superintendent**

The pastors and Laymen of the District have put forth a sincere effort to faithfully promote the suggested program for this Aldersgate Year. Early in the fall a two-day spiritual retreat was held at Sue Bennett College, for the pastors and wives. The value of the retreat has been reflected in the prevailing spirit and activity during the entire year. Other activities in this Aldersgate Year have been as follows:

- (1) A continuous twenty-five day prayer vigil, with each church participating, including the Wesley Foundations and Methodist Student Movements on the campuses of the five colleges and one Seminary located in the district.
- (2) A Youth Rally which far surpassed the attendance goal of 600.
- (3) The Study of the Book of Romans and special Aldersgate services in several local churches.

This has been a year of extensive building in the district. The Lambert's Chapel church has broadened its field of service and will soon be occupying a new brick church, in an adjoining community, with an outlay of \$18,500. A grant of \$7,500 was made from Crusade funds, for Church Extension, for this great accomplishment. A new \$15,000 brick church is in progress at Middleburg, replacing the old building which was completely destroyed by fire the last Sunday of the year. The Ground Breaking service was conducted on May 19th for a much needed new \$15,000 brick building at

East Bernstadt. The Methodist Mountain Mission Board has approved this project to receive designated funds as a Conference Advance Special. The Wilmore Church, which has been under construction for two years, is rapidly moving toward completion. Occupancy is expected by early fall. The Burnside congregation has recently moved into a modern three story Education Building. In former one room churches Sunday school rooms have been constructed as follows: Brodhead, five rooms; Mitchellburg, 5 rooms; Neal's Creek, four rooms and a basement; Taylor's Chapel, three rooms. A modern, new parsonage is under construction at Fellowship. A beautiful chapel has been added to the Irvine Church. Several rooms and a bath have been completed in the London parsonage. The Wyatt's Chapel Church was dedicated, debt free, on April 21 by Bishop Gum. Almost every church in the district has made property improvements or acquired furnishings worthy of mention, however, time and space will not permit.

There has been a splendid spirit of cooperation throughout the district on the part of the laity. The Quarterly District Methodist Men's meetings have drawn large attendance. A very profitable District Workshop was conducted on Stewardship and Methodist Men's work in the Local Church. Increased Local Church interest has been seen in the Woman's Society of Christian Service in Study, Giving and Local work. The District Meeting and the Educational Seminar both drew record attendance.

Early in the Conference year a mimeographed brochure on World Service and Conference Benevolences was prepared and placed in the hands of the laymen of the churches. Every church in the District accepted its World Service Asking and Preferred Claims in full. An effort has been made to improve the quality of work in our Church Schools. A Conference approved Laboratory School was held November 9-11 for each of the three divisions of the Church School with gratifying results.

I am sure the statistical report will reveal numerical gains in financial contribution to all causes and in persons uniting with the church on profession of faith and by transfer. However, the total membership gain will be seriously affected by an unusually high rate of persons removed by Quarterly Conference action in order to bring church rolls up to date.

One of our finest achievements this year has been in Missions. Churches carrying Advance Specials in all four lanes have more than tripled and each special appeal has been met with generous giving. Several commissions on Christian Social Concerns have functioned for the first time this year, creating interest and active participation in a large number of worthwhile endeavors.

The work of Casey County has been strengthened by the assignment of Miss Doris Shover as Rural Church and Community Worker.

There has been a great deal of improvement in the area of fellowship among the parsonage families. Two of the several District meetings included food, fun and fellowship for the Parsons, the Parsonettes and all their Begets. As a District family we have offered congratulations to Pastors, James Gun and Gordon Ralls, who took the leap into matrimony.

We have shared the joy of Reverend and Mrs. Larry Smith and Reverend and Mrs. Charles Byrd and Reverend and Mrs. James Burd whose homes were blessed, on the same day, by new arrivals. We likewise felt in our hearts the deep sorrow that came to Reverend and Mrs. Don Scilley in the loss of their first baby.

The Ministers and Laymen of the District join with me in expressing joy in having the current session of the Kentucky Annual Conference assembled in the bounds of the District. It is our hope and prayer that this Aldersgate Year Annual Conference may reach a high spiritual plateau and may inspire "The People called Methodist to hold fast both to the doctrine, spirit and discipline with which they first set out."

#### e) Frankfort District

EARL M. FOSSETT, *Superintendent*

The Frankfort District is probably the most typically rural district in the Kentucky Conference. Only one town in the entire district has a population of 15,000; and even the county seat towns report fewer than 5,000 in the last census. This fact accounts for the fact that statistics are not as large in this district as in some others. Most of our charges are small stations, located in areas of shifting population, many members who once lived in the community having moved to nearby towns. In one rural church, five of the twelve members of the official board live in the nearby county seat town. Twenty-nine of our charges are served by supply pastors, who deserve a great deal of credit for their devotion and faithful work.

Sorrow has come to some parsonage homes during the year, due to the death of close relatives; but joy has also come to others through the birth of babies.

One church was completely destroyed by fire; two others were seriously damaged. Yet, because of the faith and devotion of the people of these churches, their places of worship are being restored.

#### *Crusade Pledges*

We did not reach our total goal in the Crusade for Higher Education and Church Extension last year. However, more than 23 per cent of the amount pledged had been paid at the close of the first year, when 25 per cent was due.

#### *Lay Activities*

Mr. W. Hickman Baldree, our District Lay Leader, has been faithful in his direction of the program of Lay Activities, assisted by the Associate Lay Leaders, who have faithfully cooperated in this phase of the work. Laymen's Day was observed in most of the charges.

#### *Evangelism*

The program of the Conference Board of Evangelism has been carefully followed in the district, under the leadership of Robert J. Scott, our District Secretary of Evangelism. The program for the observance of Aldersgate Year, has been projected at suggested periods throughout the year. The twenty-four-hour prayer vigil was participated in by many of our churches. We are now planning for the Simultaneous Revivals to be held this fall, in connection with the Aldersgate Year observance. Several charges have reported revivals already held, with varying degrees of success, so far as visible results are concerned.

#### *Education*

I am not altogether pleased with reports of Sunday Schools in the District, though several are continuing on a high plane of work. We hope that in the coming year this phase of our church's work may be greatly improved. We had a most successful Vacation School Institute, with large and interested attendance, and we believe that this means there will be an increase in the number of Vacation Schools in the District this summer. Mrs. C. L. Neikirk deserves our appreciation for her direction of this Institute.

#### *TRAFCO*

TRAFCO has not "caught on" in any large degree in our District, though there are evidences of new interest in audio-visual materials as an effective tool for Christian Education. The Rev. Allen Moran, District Director of TRAFCO, with the assistance of the Conference Commission, conducted a workshop in the field, which was well attended, and in which much interest was shown. I am sure that more churches are now making use of this medium of instruction than ever before.

#### *Missions*

New impetus has been given to the cause of missions in our district, through the diligent leadership of the Rev. William E. Hisle, District Missionary Secretary. Several churches contributed to the special offering taken for Bishop Gum, when he made his visitation of our Mission Fields abroad. Study classes have been reported. Increased cultivation was made this year of Advance Mission Specials, and 24 charges have reported Four Lane Mission Specials. Four other charges have had one or more specials, though they did not quite reach the four-lane status. This means that more than half of the charges in the district had one or more Advance Specials.

The Woman's Society has continued to promote the work of this excellent organization, under the leadership of Miss Isabelle Jefferson, District President, and her efficient corps of District Officers.

I desire to express my sincere appreciation for the wholehearted cooperation given by most of the pastors and laymen of the District, without which we would be unable to report the fine progress that has been made.

#### **f) Lexington District**

**FRANK C. KING, Superintendent**

We did not achieve all the things we had hoped for at the beginning of the year but many very fine things have been accomplished.

Vacation Church Schools were conducted with 1,392 pupils enrolled and 353 workers. A very successful Christian Adventure Camp was held in conjunction with the Frankfort District. A successful Leadership Training School was held at Southern Hills Church for the greater Lexington area with an enrollment of 136 and 80 credits. There was an increase of 9% in church school enrollment. Due to the weather and much illness there was a small decline in the average church school attendance.

The payments on pledges made to the Crusade for Education and Church Extension is practically up to date. This is gratifying and commendable.

Many improvements have been made in physical property and facilities. Mt. Sterling has greatly improved its educational facilities by some remodeling and the addition of some extra rooms; a new parsonage is under construction and will soon be completed at the Dunaway church; Fincastle is planning to build some Sunday school rooms; soon Nicholasville will break ground for a new educational building; West Liberty is planning to replace its old educational facility with a new modern one. A new church at West Bend is under construction.

The district has been active in the area of evangelism. Many revivals and evangelistic missions have been conducted which have brought spiritual renewal to our churches. 309 persons have been received into the church on profession of faith and 576 by transfer. Three of our churches made the shocking discovery that because of past errors in the church records they have been reporting more members than they actually have, the total being 336. To correct these errors has resulted in a numerical gain of only 25. This does not mean that 336 members have been lost for they never were members only a statistic or a number. Most of the churches are carrying out the program suggested by the Conference Board of Evangelism for the 225th observance of Aldersgate.

The financial response to kingdom needs has been gratifying. World Service and Conference Benevolences were paid 102%; there was a 50% increase in the offering for One Great Hour of Sharing; and 20% increase in the offering for Hospital Rally Day.

A new church, which has been named Aldersgate, has been organized in Lexington with 88 members. A new church school has been organized at Fincastle. A new MYF sub-district named the Mountain Parkway sub-district has been organized in the Campton-Jackson area. Two new Woman's Society of Christian Service groups have been organized. The lay work under the direction of the District Board of Lay Activities has made great progress and the Woman's Society of Christian Service has had a most successful year.

The Lexington Junior Chamber of Commerce honored our district by giving one of our ministers, the Rev. Donald Herren, the Outstanding Young Man of 1962 Award. The Campton Church, Rev. J. H. Burton, pastor was honored for outstanding service to the community by the State Farm and Home Bureau at its annual meeting.

An unusual and distinct service, perhaps the only one of its kind ever conducted in the Kentucky Conference, took place November 25, 1962, at the Versailles Methodist Church when one of its members, James Tuttle, was commissioned a missionary of The Methodist Church by Bishop Gum. He was assisted by the pastor, Rev. Charles Turkington and the District Superintendent.

These are but a few of the many fine achievements and services of the past year. The credit for them goes to the pastors and the churches they serve and are a tribute to their dedication, their commitment and their loyalty to Christ and the church.

#### g) Maysville District

DONALD DURHAM, *Superintendent*

It has been a real joy to work with the ministers and laity of the Maysville District during the past year. Though this is one of the smaller districts, no other district in our Kentucky Conference takes greater pride in supporting district causes or has greater loyalty to the program of The Methodist Church.

This is evident in the fact that every church of the district was on the honor roll for the first three quarterly check-ups, and at the time of this writing there was sufficient reason to believe that every church would have its preferred claims paid up in full for the year. This was accomplished even though our acceptance for World Service and Conference Benevolences was twenty-five percent higher than one year ago. The churches take pride in making Maysville a 100% district.

The churches of the Maysville District rallied to the special call for help to the churches of the flood stricken area of Kentucky by raising the second largest amount of any district in the Kentucky Conference.

All district activities are well supported. Though we have good attendance at youth and WSCS meetings our district Methodist Men's organization is probably the most outstanding. We have been told by many who have visited the entire Conference that our Methodist Men has the largest attendance of any like group in the Conference.

During the past year many physical improvements have been made. The Brooksville church erected and moved into a new Educational plant and ground was broken and construction is well under way for a new Educational plant at the Millersburg Church. Improved parsonages were purchased by the Maysville Trinity, Morehead and Mt. Carmel churches. Ground has been broken and a contract let for a new parsonage for the Mt. Olivet Circuit. The Flemingsburg Church has purchased a lot for future Church plant expansion. The Washington Church has voted to relocate and plans are under way to purchase a lot on the north side of town with funds provided by the Crusade. This new location will be in an expanding residential area and will provide the church with a much better opportunity for growth than its present location.

The Bethel Church of the Sharpsburg-Bethel charge was dedicated free of debt on May 19th as was also the Tilton parsonage. It was a real treat to have Bishop and Mrs. Walter C. Gum with us that day for the dedications as well as to speak in our most unique church, Clover Hill, where Miss Ollie Spencer is the sole member. We had such a large attendance for the Clover Hill service that the Bishop quipped, "If this church had two members it wouldn't be able to hold the crowd today."

Last Summer old Ruggles Camp, located within the bounds of our District, had its greatest season in recent years. The average attendance for the annual eleven day meeting was around six hundred. This Camp, owned and operated by the Kentucky Conference, is entering its 93rd year of service to Kentucky Methodism.

We feel that one of the most significant accomplishments during the past year was the organization of Ramey's Chapel Mission into a church.

The churches of the Maysville District have participated in the Aldersgate Year program and will continue to do so. The Methodist Men of the district are sponsoring a Revival to be conducted by Rev. Eddie Moran at the Fairgrounds in Flemingsburg, Ky., August 18-September 1. All churches are also making plans for the Simultaneous Revivals to be held November 17-22. The basic salary raises for our pastors amount to more than \$4,000 for the coming year. We are hoping that during the next year our accomplishments will be in the realm of increased attendance and the addition of new members on Profession of Faith.

## REPORT NO. 4

### BOARD OF LAY ACTIVITIES

Again as we approach the end of a Conference year we have a feeling of not accomplishing very much, and yet as we look back we acknowledge with joy the blessings of the Lord and the many things that He has helped us with during the year that has just past. The Lay Activity in the Conference has grown, and I feel that throughout the Conference our churches and our people have grown spiritually because of their activities which have brought them into a closer relationship with their wonderful Saviour and Lord Jesus Christ and also brought them close together with each other.

I want to at this time say thanks to our District Superintendents, the Ministers across our Conference, all of the District Lay Leaders and their associates, and the Conference Directors of Methodist Men and of Stewardship for their fine cooperation and work toward building a better program for our fine church through a Lay Program in the Kentucky Conference.

I want to especially say thanks to our fine Bishop Gum for his help and interest, and his continued efforts in helping us to develop our program, toward better men and women and better churches to serve our Blessed Lord and Saviour Jesus Christ in these days in which we live.

Most of our districts during the year have met on a regular basis planning and promoting the various phases of Lay Work they are responsible for in our church. I would like to comment here that more laymen each year are brought into a knowledge of the areas of responsibility included in the Lay Program of our church.

During the year I feel much progress has been made in the area of Methodist Men. Mr. Jack Crawford, our director, has shown much interest and has worked hard toward developing a conference wide organizational structure to promote the Methodist Men

program across our conference. A good start has been made by four district directors of Methodist Men being appointed. Mr. Crawford has attended the National Workshop on Methodist Men and has in turn presented this training program to the Conference Board at a meeting in Lexington, Kentucky. Mr. Crawford has also spoken to several local Methodist Men groups, encouraging them to work and promote their church program. Five new Methodist Men groups have been organized in the conference, one new District group has been organized, giving us a total of five District groups meeting quarterly in our Conference. We are looking forward to a greater year both physically and spiritually throughout our Conference among our Methodist Men groups.

Another area of Lay Work I feel has made much progress is in the area of Stewardship. Certainly this is an area of our Christian experience that we need to really take a look at. We must, if we are going to carry the banner of our Christ, come to a complete dedication of our lives in all areas, such as time, talent, possessions and self. Mr. Paul Brewer, our Conference Director of Stewardship, has attended the National Workshop on Stewardship and has presented the same to our Conference Board of Lay Activities. He is in the process of getting a Director of Stewardship appointed for each district whereby this program can be taken across the Conference. Mr. Brewer has accepted several speaking engagements in local churches to explain the Stewardship program. In October 1964, we have engaged Dr. James Sells, executive secretary of the Southeastern Jurisdictional Council, to come and spend ten days in our Conference to hold one day training meetings in each district on Stewardship, relating its importance to us in our relationship to our church and our Lord. I hope all of us can see the real value of a complete Stewardship Program in our Conference because I feel the success of all programs in our churches depends upon whether or not we have made complete commitment of the whole Stewardship of Life.

Laymen's Day this year was observed by approximately 90% of our churches. This is probably the best we have ever done conference-wide, and it is very encouraging as we go around and hear of the number of laymen who willingly witness in their church on Laymen's Day either by speaking, singing, or reading scripture. Several of our churches held Prayer Vigils on Saturday night preceding Layman's Sunday. This is wonderful and I hope that more churches will take this up each year. I am sure this will give more meaning and value to Layman's Day in any church which would promote such a program as this.

Another area of our work which has been very active in particular areas is Lay Speaking. We have a number of Certified Lay Speakers across our Conference. These men are active in filling pulpits, and during the year a number of Lay Revivals were held with laymen filling the pulpit. This has proven a fine way for our laymen to witness and win people into the kingdom. We are looking forward to far greater things in this area of responsibility. We have appointed a Conference Director of Lay Speaking, Mr. C. R. Hager, and he with the help of the District Lay Leaders and District Superintendents will be striving to select a director for each district. In October, Mr. Hager will attend a conference and return with information to train these men.

Most of our districts have held workshops for training leaders in the various areas of work in our church such as Chairmen of Official Boards, Lay Leaders, Secretaries of Stewardship and Methodist Men.

During the year we had several meetings or retreats which brought our men together for fellowship and worship together and for discussion and witness to their own personal relationship with Jesus Christ. Let me say here that some of my own sweetest memories are from these meetings where we all realized that Christ was present and was witnessing to us with His Spirit.

Our first meeting was our Laymen's Conference at Lake Junaluska where approximately 1500 laymen from the Southeastern Jurisdiction gathered to enjoy one weekend with the Lord. We had several of our laymen and their wives present from the Kentucky Conference. Next we had our own Kentucky Conference Retreat at Sue Bennett College the last weekend in August. What a glorious time we had. We had 134 men, representations from each district, who came together for one purpose, and that was to experience and share Christ with all the men present; and I say to you who are reading this—if you were not there you missed one of the best spiritual gatherings of the year. In February this year several of us attended a Conference on Discipleship at Gatlinburg, Tennessee, sponsored by the General Board of Evangelism. I feel these types of meetings where we are taken away from the everyday work and cares of life really helps us grow

spiritually and gives us the opportunity to be still and listen to our Lord as He gives us direction for our lives in this world.

We have one district where the laymen are still sponsoring a church which they helped to open, and are continuing to support it with their work, time and money. We just recently had pledged from a district group of Methodist Men the sum of \$1,000 toward the support of Christian ministers in India. Awaken our laymen to the needs and I feel they will help to meet the need—whatever it takes.

Let me close by saying there is nothing in this world that can compare to serving our Lord, and I hope all of us will realize the danger involved when we relax for one minute in fighting the evils of the day. We are living in a fast world but a fascinating one, and we must ever be mindful of our purpose—that of building the Kingdom of God here on earth. We are living in wonderful times but dangerous times but we should be challenged and thrilled to the opportunities we have in Christ Jesus through serving Him and our fellowman. I pray that all of us who are Christians will take our stand and stand in the place made for us.

I feel we have made progress in our Lay Program and that God has certainly blessed us in many ways. As I stated a year ago, our work is limited because of inadequate financing but I feel sure this shall be corrected in the future by those who know and understand our needs.

The report of the Treasurer of the Board is filed with the Conference Secretary for the Journal. (See Financial Exhibit A.)

**REPORT No. 6****BOARD OF EDUCATION****Section I**

During the year the conference staff, office secretary, and district staffs have constantly sought to administer, in numerous ways, to the needs of local churches by providing guidance in both content and methods of the Church's teaching ministry. As far as time and means would allow, we have sought to increase our own personal skills, provide the necessary resources and equipment needed, and arrange for as many strategic meetings as possible where important information might be shared with conference, district, subdistrict, and local church leaders. Realizing the increasing need for trained workers across our conference, and at the same time a shortage of such, more and more we are seeking to engage and involve promising lay persons and pastors in various training enterprises for present tasks and added and increasing tasks immediately ahead.

Because of the many educational activities promoted by the Conference Board of Education, annually we give emphases to some specific phases of work. July 8-13, 1962, we conducted a conference-wide laboratory enterprise which was held at Centenary Church, Lexington, Kentucky. Courses were offered for kindergarten, primary, and junior workers. Thirteen (13) leaders-in-training were enrolled with eleven (11) receiving cards of recognition. The General Board of Education assisted in the enterprise by providing one instructor.

During the month of July the services of our local Board of Education were augmented by the presence of Miss Carolyn Gabriel, curriculum field representative from Cokesbury. Miss Gabriel traveled in all seven districts of the conference, displaying our curriculum materials and speaking in twenty-five (25) churches.

On November 9, 10, and 11 a laboratory enterprise for the Danville District was held at Lancaster, Kentucky. Courses were offered for leaders of junior boys and girls, leaders of youth, and leaders of adults. Sixty-one (61) leaders-in-training, representing twenty-four (24) churches were enrolled. (As this was not an accredited school, cards of recognition were not awarded.) The General Board of Education assisted in the enterprise by providing one instructor.

A special thrust this year was EVANGELISM IN THE CHURCH SCHOOL. On October 9, 1962, we had Dr. Walter Townner from the General Board with us for a conference-wide meeting where some forty (40) persons were present. Since that time district and local church meetings have been and are continuing to be held where evangelism in the local church was and is stressed. A number of leaflets relative to evangelism in the church school have been distributed.

The development of the campsite property of one hundred ninety-four (194) acres, in Estill County, took priority during the year in committee and board meetings. On October 15, 1962, a contract calling for a lodge, bath house, water and sewer systems was awarded to Timmons Construction Company, Winchester, Kentucky, for the sum of one hundred eighteen thousand, fifty-nine dollars (\$118,059), with the agreement that the construction be completed July 1, 1963.

#### Children's Division

Another year has passed without the services of a full-time director in the children's division. The wife of the executive secretary and volunteer district directors have assisted in this phase of the work at numerous points. Nevertheless, most of the responsibility has rested with the executive secretary and office secretary which demanded shared time and expenses.

Early in the conference year a staff meeting was held where all district directors came together, with the conference and district secretaries of children's work of the Woman's Society of Christian Service, to discuss plans for the year's work. Other than routine activities such as vacation church school and reports of same, the matter of mission studies with children in additional sessions, and a coaching conference for district vacation church school institute leaders was the major concern. However the matter of preparation for the new curriculum materials for September, 1964, was discussed at length. A strong plea was put forth that the entire Church, especially leaders of children, secure the brochure entitled, "Will You Be Ready?" and follow step by step the suggestions made there for the months ahead.

With the assistance of the General Board and four district superintendents, we had five leaders from our conference taking training at Lake Junaluska, N. C. this past summer in preparation for the new curriculum materials.

Early this year we were fortunate in that we were able to employ as our full-time director of children's work, Miss Evelyn P. Bloomer, a deaconess, who will be with us as of the first of June, 1963.

#### Report of Director of Youth Work

A forward-moving, vital youth program is dependent upon dedicated, trained adult and youth leadership who are aware of the problems and needs of such a program. Meetings during the past year for evaluation and planning on the part of both youth and adults included the annual full Conference Methodist Youth Fellowship Council, the Committee on Youth Work of the Board of Education, the district directors of youth work, the district directors of Christian adventure camp, subdistrict presidents and counselors in district youth staff meetings across the conference, local church and sub-district adult workers with junior high young people, and deans of summer agencies and the executive committee of the Conference Youth Council. Conference-sponsored training opportunities for adult leaders included Institute staff and Christian adventure camp staff training sessions. Two adult workers attended the Southeastern Jurisdictional Recreation Workshop, where they received training which will be put to use in youth activities this summer. Youth workers from five (5) local churches took part in the leadership school at Lake Junaluska, North Carolina.

A total of three hundred one (301) young people (ages 15-21) and forty (40) staff members participated in the 1962 summer agencies—Presidents' Assembly with forty-nine (49) youth and ten (10) staff, Program Area Workshop with sixty-eight (68) youth and fifteen (15) staff, and Institute with one hundred eighty-four youth (184) and fifteen (15) staff.

In addition to routine office responsibilities such as correspondence, preparation of publicity for conference-sponsored youth activities, the study of materials, and so on, the director has traveled several thousand miles through all seven districts in the conference, addressing thirteen (13) subdistricts and visiting three (3) others, working with thirty (30) local churches in retreats, workers' conferences, adult training sessions, or MYF groups; taking part in four (4) of the seven (7) District MYF Institutes which were held this year; conferring with deans and directors of youth activities; teaching in a leadership school in the Ashland District, and in a laboratory school in the Danville District; and participating in district Christian education staff meetings, the Conference Committee on Family Life, the Campsite Committee, and the Inter-Conference Commission on Student Work. She also served on a sub-committee of the department of Christian education of the Kentucky Council of Churches, which planned a Louisville Area

Recreation Workshop to be held in September, 1963, at Camp Loucon, Leitchfield, Kentucky. Her own opportunities for training were provided by a Seminar on Youth Work at Scarritt College, Nashville, Tennessee, in June, laboratory schools in Lake Junaluska, North Carolina later in the summer, the Greater Lexington Area Leadership School in October, and a meeting of conference directors of youth work in November in Nashville, Tennessee.

The Youth Department looks forward to a summer program in 1963 which will include Presidents' Assembly, Program Area Workshop, two (2) MYF Institutes, and camping for junior high (12-14), senior high (ages 15-17), and older youth (ages 18-21) at our new Aldersgate Methodist Camp. This year we are planning district and sub-district workshops for local church program area chairmen and other officers.

MISS JEANNETTE H. GLASS

#### Adult Division

The work of the Adult Division is carried on by volunteer workers, with Dr. Steadman Bagby serving as conference director of adult work. Early in the conference year a staff meeting of conference and district directors was held, at which time tentative plans were made for regional meetings relative to evangelism in the church school. It was thought that church school attendance could be greatly increased by organizing classes for those of young adult age, starting outpost church school classes, and new Sunday schools. Carrying out plans made proved to be impossible with all else that was taking place. However, some new Sunday school classes have been started.

Persons were urged to attend training opportunities offered at Lake Junaluska, N. C. Two of our district directors did so, August 10-12, along with two laymen from First Church, Winchester. Perhaps others also took training at Junaluska.

On February 18th the executive secretary, conference director of adult work, and an adult director of one of the districts of the conference went to Nashville where they met with others in a briefing conference relative to adult activities.

#### Committee on Family Life

Like our director of adult work, the chairman of our Conference Committee on Family Life, Reverend James A. Shepherd, is a volunteer director.

Early in the conference year the matter of activities relative to family life were discussed. Due to much organization and expense of meetings, it was thought best to promote this work along with adult work, which we sought to do.

Following the National Conference on Family Life in Chicago last fall, a meeting was called to see what could be done to get the information and inspiration received at the Chicago Conference to the local church. All twenty-one (21) representatives from our conference who attended the Chicago Conference were invited to attend the meeting, at which time plans were made to hold two or more regional meetings in strategic locations in our conference. When this proved to be beyond us, we sought to work on the district, subdistrict, and local church level. We know that successful meetings have been held in some subdistricts and local churches. Perhaps more meetings have been held than we are aware of having been conducted.

A number of churches have made use of the new film "Worship, A Family's Heritage." Some have run it twice or more. A number of churches are making specific plans for the observance of National Family Week, May 5-12.

#### Leadership Education

Leadership education is one of our main concerns and must remain so. Although some progress has been made this year, we feel there is yet much room for improvement. We need to promote more local and subdistrict Christian Workers' Training Schools. Schools held during the year were as follows:

School of Missions, Woman's Society of Christian Service, Sue Bennett College, London, Kentucky. One hundred nineteen (119) enrolled with one hundred fifteen (115) receiving recognition. Four (4) courses were offered.

Laboratory School for Workers with Children, Lexington, Kentucky. Thirteen (13) enrolled with eleven (11) receiving recognition. Three (3) courses were offered.

Christian Worker's School, Lexington, Kentucky. One hundred thirty-six (136) enrolled with eighty (80) receiving recognition. Five (5) courses were offered.

Christian Workers' School, Ashland, Kentucky. One hundred thirty-six (136) enrolled with sixty-three (63) receiving recognition. Four (4) courses were offered.

District Laboratory School, Lancaster, Kentucky. Sixty-one (61) were enrolled. (Non-credit school.) Three (3) courses were offered.

We are persuaded that other schools, especially in local churches, have been held. However, we do not have any knowledge or record of such.

#### **Certified Directors of Christian Education**

Miss Evelyn P. Bloomer, 152 East Maxwell Street, Lexington, Kentucky.

#### **Persons Certified as Instructors**

During the year the following persons were certified as instructors: Miss Jeannette Glass—Course No. 331, "Guiding Seniors" and "Leader of Laboratory School for Senior High Youth."

Wm. Hugh Smith—Course—"Foundations of Christian Teaching."

#### **Persons Certified as Directors of Music**

Mrs. Ethel Stawasser Layne, South Ashland Church, Ashland  
 Mrs. Raymond W. Gibson, Jr., Community Church, Wheelwright  
 Mrs. Sydney McMullen Laudenback, South Shore Church, South Shore  
 Mrs. Henley M. McCready, First Church, Winchester  
 Mr. Keith M. Huffman, Morehead Church, Morehead  
 Mrs. C. S. Manning, Trinity Church, Maysville

#### **Methodist Curriculum and Materials**

The office of the Board of Education stocks sample copies of most all up-to-date curriculum materials for all divisions of our church school. It also provides a number of resource books and promotional materials as well as invaluable leaflets for leaders. At all times and in every meeting, where possible, every member of the staff promotes our curriculum materials and resources. In workshops, institutes, and in other meetings, much of our materials and resources are displayed and distributed.

#### **Meetings Attended**

It is as important that the executive secretary attend meetings both within and beyond the conference as it is for a pastor to attend subdistrict, district, and conference meetings, to say nothing of others. When there is a shortage of staff, the number of meetings he should and must attend are increased.

Meetings attended during the year beyond the conference were: A week's leadership training school, a jurisdictional board meeting, and a regional meeting at Lake Junaluska, N. C.; a meeting of conference directors of children's work and a briefing meeting for adult work, Nashville, Tennessee; a joint meeting of the General Board of Education and conference executive secretaries, Atlantic City, New Jersey; a regional meeting and a National Council of Churches meeting in St. Louis, Missouri, and a jurisdictional convocation in Memphis, Tennessee. (A National Family Life Conference, Chicago, Illinois, was attended on part of vacation time.)

Meetings attended in the state were: Inter-Conference Commission, Wesley Foundation, Kentucky Council of Churches, Board, and committee meetings.

Other meetings were schools, workshops, institutes, conferences, and staff meetings, save ten or a dozen preaching engagements.

#### **Report of the Camp Committee**

The Board of Education was authorized by the 1962 Annual Conference to continue the plan of campsite development that has been in progress for the previous three years. It was further authorized to borrow up to \$100,000 for the Kentucky Annual Conference for development of the first phase of the camp facilities.

Having found a suitable lending agency the committee instructed the architects, Braun and Ryan, to advertise for bids on the initial construction phase. These were received and the contract was awarded on October 31, 1962, to the Timmons Construction Company of Winchester, Kentucky. The accepted bid was \$118,059.

Should the camp be completed on schedule there will be six to seven weeks of camping this summer. The Committee is working out the program for these weeks at this time.

In selecting a permanent name for the camp, the Camp Committee asked all of the churches of the Conference to submit a name stating that the Church submitting the name selected would be awarded a scholarship for one young person to attend a week of camp this summer at the expense of the Board of Education. The name selected was "Aldersgate Methodist Camp." The church which suggested the winning name will be recognized at this session of the annual conference.

The committee feels that real progress has been made in the area of camping and in development of the campsite; however, it is greatly disturbed over the way in which the camp apportionment to the local churches is not being paid in full. The financial success of the camp is dependent on the support and cooperation of the local church. We urge all churches of our Conference to pay their apportionment in full.

DAVID C. ROSS, Chairman

#### **Board Meetings**

The Board of Education has held three (3) full board meetings during the year. The executive committee has met six (6) times. In addition to this, there have been numerous committee meetings in which board members were involved. This number of meetings, and perhaps more, are a must if reports are to be heard, business is to be transacted, and adequate plans for the future are to be made.

WM. HUGH SMITH, Executive Secretary

#### **Ten Months Report of Treasurer**

June 1, 1962 to April 1, 1963

A total of \$22,848.73, of a budget of \$27,000, was spent during the first ten months of the conference year. A report covering the entire year will be filed with the conference secretary to be published in the Conference Journal. (See Financial Exhibit B.) The report of the Treasurer of the Inter-Conference Commission on Student Work is filed for the Journal. (See Financial Exhibit C.)

### **Section II**

#### **Committee on Higher Education**

Your Committee on Higher Education submits the following report:

The General Conference of 1960 asked each Annual Conference to set a minimum goal of \$1.50 per member for higher education. The Kentucky Conference at the 1961 session accepted the goal for the remainder of the quadrennium. Accordingly, \$72,000 was apportioned across the conference, under the formula used by the Commission on World Service and Finance of the conference for apportioning the World Service askings. Of this amount \$26,000 had been paid by the third quarterly check-up.

The higher education funds of the conference suffer in two respects: First, there is a misunderstanding as to their uses. They are often confused with the Crusade funds. The Crusade funds are used for capital improvements and debt retirement for our colleges and Wesley Foundations. The higher education funds are used to supplement operational expenses of our colleges and Wesley Foundations.

Secondly, the higher education funds again suffer from the fact that in too many churches the askings are accepted at the First Quarterly Conference, but no provision

is made for their payment. At the end of the conference year, if there is any money left in the treasury it is applied to higher education. This is true in the Louisville Conference as well as the Kentucky Conference.

On March 18th a joint session of the two conference committees on Higher Education was held in Lexington. To this meeting the district superintendents were invited—many of whom attended. The college presidents, the Wesley Foundation directors, and pastors were invited, and most of these were present. At this meeting an over-all look was given to the higher education work of the two conferences. A motion was offered by a district superintendent of the Kentucky Conference and seconded by a district superintendent of the Louisville Conference, to the effect that the Bishop and cabinet of the respective conferences take a look at our quarterly check-up and honor roll system to see if it is feasible to include all askings of the conference in the check-up honor roll.

This joint meeting of the Committee on Higher Education of the two conferences was considered to be very effective in directing the attention to a united Methodist higher education program as well as in each respective conference. Studies, discussions, and reports of the meeting led to the conclusion that higher education is making head-way across the two conferences.

The colleges and Wesley Foundations come to the conferences with a success story. In fact they are embarrassed by their successes. A brief resume of each of the colleges and Wesley Foundations tells something of their success story:

*Kentucky Wesleyan College:* Student enrollment—714; graduated in 1961-62 class—117; Methodist students—293; ministerial students—48; life-service volunteers for Christian vocations—8; ministerial students now serving pastorates—14. In an effort to render significant service to the Methodist Church in Kentucky, Kentucky Wesleyan College offers tuition for free education to ministerial students on the condition that they agree to serve five years in the Kentucky or Louisville Conference after graduation. Also Kentucky Wesleyan College offers discounts on tuition fees to life-service volunteers and children of Methodist ministers under full-time appointments.

*Union College:* Student enrollment is 705, 383 of which are Methodist students—287 from Kentucky, with 27 states represented. 62 members of the student body are ministerial students. Union gives a \$500 tuition grant to all ministerial students on the condition they serve at least four years in the Kentucky or Louisville Conference after graduation. The college offers discounts in tuition fees to children of Methodist ministers under full-time appointment.

*Lindsey Wilson College:* Student enrollment is 428, 169 of which are Methodist students. 18 of these are ministerial students and 12 are life service volunteers for Christian vocations. Representatives composing the student body are from 18 states, 40 counties, and 2 foreign countries.

Each of the colleges have a larger student enrollment than ever before which calls for more of everything to give to the student a well-rounded scholastic and Christian education training. Through the Crusade Fund each of these colleges either are already engaged in necessary building programs or plan to do so in the near future. Your Committee on Higher Education wishes to express its confidence in the management of these colleges. Each college is fortunate in having a president who is eminently fitted in every respect as a leader of Christian higher education. The Committee commends each of the presidents and his respective school to the conference.

The Wesley Foundations are trying to make a church home for these students who are away from home. Each Wesley Foundation needs more physical facilities and equipment and more money for the program and operational expenses. When higher education askings are not paid in full, each college and Wesley Foundation is cut proportionately. If the people called Methodists across the conference could but understand the tremendous opportunities in the Methodist colleges and Wesley Foundations they would rise to the occasion and make necessary funds available. Perhaps, the Committee on Higher Education and the educational leaders of the two conferences are at fault in not acquainting the people with these facts.

Each of the Wesley Foundations within the bounds of the Kentucky Conference is doing a splendid piece of work, in spite of inadequate buildings and equipment, ministering to the Methodist students on their respective campuses. Berea has 300 Methodist students enrolled; Eastern, 550; University of Kentucky, 800; and Morehead, 500. Here again, let the committee emphasize the fact that a deficit in higher education funds means a cut in the funds allotted to each Wesley Foundation for the program and operation. It is hoped that the Crusade will bring to each Wesley Foundation funds for relief.

ing inadequate buildings and equipment. The Committee on Higher Education wishes to commend the Wesley Foundation pastors and directors, for the leadership they are giving to Christian education upon these state campuses.

J. I. MEYER, Chairman

#### **The Methodist Student Movement**

Wesley Foundations at state and independent colleges and universities, and Methodist Student Fellowships at church related colleges in the Kentucky Conference, constitute a large and important portion of the Kentucky Methodist Student Movement (KMSM), which operates under a state council consisting of students, a dean, and a state director.

In the Kentucky Conference we have employed directors at the following Wesley Foundations: Berea College, Eastern Kentucky State College, University of Kentucky, and Morehead College. University of Kentucky, Lexington, is the only Wesley Foundation in the Kentucky Conference which is accredited and has a full-time employed director. Other Wesley Foundations and KMSM's in the Kentucky Conference which are provided partial funds for programming are: Asbury, Centre, Cumberland, Sue Bennett, Union, and University of Covington.

Students of Wesley Foundations and MSM's within the Kentucky Conference participated in a Fall Leadership Training Conference held at Sue Bennett College, London, Kentucky, a Spring Conference held at Kentucky Wesleyan College, Owensboro, Kentucky, and a Regional Leadership Training Conference held at Lake Junaluska, North Carolina.

At the request of the Inter-Conference Commission on Student Work a study team, under the direction of representatives from the General Board of Education, made a study of Wesley Foundation work in both the Louisville and Kentucky Conferences. This study and evaluation should serve as an invaluable tool in further development of the philosophy and programming of Wesley Foundations in our conference and throughout the state.

LEWIS M. RICKETTS, State Director

### **Section IV**

#### **Elections**

The Board of Education elected Reverend William Hugh Smith, executive secretary; Mrs. J. H. Kennedy, office secretary, Miss Evelyn P. Bloomer, conference director of children's work, and Reverend Charles W. Tanner, director of youth work. The Conference and District Volunteer Directors will be found in the Journal Directory.

The Covington District pledged \$236,116 and has paid as of April 25, \$74,887 or 32%. The Danville District pledged \$197,721 and has paid as of April 25, \$56,663 or 29%. The Frankfort District pledged \$124,756 and has paid as of April 25, \$43,908 or 35%. The Lexington District pledged \$280,067 and has paid as of April 25, \$89,023 or 32%. The Maysville District pledged \$164,840 and has paid as of April 25, \$47,363 or 29%.

The payments to date have been gratifying and our people deserve commendation. One major reason why our payment record is so good may be due to the fact that a number of people made a cash payment and would not make a pledge. These payments are non-recurring.

The Crusade has been a tremendous boon to our Colleges, Wesley Foundations and Church Extension, and it is very important to these interests that payment on pledges be kept up to date. The farther removed we are from the Crusade the more difficult it will become to keep payments current and up to date. This is a matter that demands and deserves the diligent attention and effort of every District Superintendent and Pastor. Under the pressure of more imminent causes and programs it is easy for the Crusade to become a forgotten cause. To allow this to happen would be tragic for the causes in the Crusade that are depending upon it for their very life.

The Crusade must be promoted as diligently, as earnestly and as faithfully as other items of the church budget. It is imperative that each District Superintendent promote the Crusade faithfully in his district, and it is just as imperative that each pastor bring it to the attention of the church he serves frequently and regularly.

Unpaid pledges are as worthless as confederate money. It is not enough to say, I have done my part by securing the pledges and wash my hands of it and say it is someone else's job to collect them. Let each pastor, layman and district superintendent know he has done his part and his best only when he has done all he can to see that the pledges are paid. Our task is incomplete until we do this. This is still a very important part of our church task and program. To fail to recognize this will bring defeat to a cause that holds out much hope for so many.

A list of the pledged and payments is included in this report.

FRANK C. KING

## REPORT No. 8

## FLOOD RELIEF COMMITTEE

Early in this year, Eastern and Southeastern Kentucky suffered a series of disastrous floods which extensively damaged a number of our churches and parsonages in the Ashland and Barbourville Districts, and destroyed much of the personal property of our ministers. Since our Methodist people suffered so much personal loss and damage, they were unable to carry the cost of the total renovation of the churches and parsonages and were limited in their ability to aid our ministers.

In view of the extensive loss suffered in this wide spread area, Bishop Walter C. Gum called on Methodist Churches in the Kentucky and Louisville Conferences to take a Flood Relief offering to help meet the needs of our churches and ministers. He also appointed a committee to administer the Flood Relief program consisting of the President of the Kentucky Conference Board of Missions and the District Superintendents of the Ashland and Barbourville Districts.

Our churches responded generously. As of May 27, the Kentucky Conference Churches have sent in \$14,407.35, the Louisville Conference Churches \$15,007.14, the Division of National Missions made a grant of \$1,500.00 and an amount of \$1,780.37 remained from a former Flood Relief Program making total receipts of \$32,694.86.

The Committee has made a careful study of needs in the flood stricken area. Estimates on repairs and renovation have been made. In many instances, the churches affected have worked heroically to restore their property. To date, we have disbursed \$15,622.77 leaving a balance of \$17,072.09. At a recent meeting, the Committee has determined needs for additional expenditures of \$9,000.00 in the Ashland District and \$6,000.00 in the Barbourville District. These funds will be used to restore property and aid in the continuing program of the churches.

This will leave a small amount on hand, but doubtless additional receipts will come in as our churches close out the Conference year.

Your committee asks the Conference to authorize the following procedures for the coming year:

1. Continuation of the Committee to work along the same general lines as in recent months, making a special effort to see that our property is restored and our ministers adequately cared for where the economic results of the flood will affect ministerial support.
2. Any balance remaining after the work has been completed shall be held by the Conference Treasurer and expended for any flood damage that might occur on the direction of the Conference Board of Missions with the approval of the Bishop and Cabinet.
3. An expression of appreciation be genuinely extended to all who responded in this program, and that a special message of appreciation along with a copy of this report be extended through Bishop Gum to the Cabinet of the Louisville Conference with the hope that they will let Louisville Conference Methodism know of our heart-felt thanks.

REPORT No. 9

## BOARD OF EVANGELISM

The Board of Evangelism of the Kentucky Annual Conference has promoted the "Aldersgate Year Program of Evangelism" throughout the Conference this year.

During the Fall of 1962, much time was spent in spiritual preparation by the pastors and leaders of the church. Prayer Retreats and Spiritual Life Conferences were held in each District for the pastors. Sub-District Prayer and Bible Study Groups (on the order of The Twelve) were organized in most of the Districts. District and Sub-District Promotional Conferences were held in which pastors and key laymen from the local churches were led to see the spiritual need of the church, and the place and opportunity of evangelism in fulfilling this need.

New Year's Eve Watch-Night Services were generally held over the Conference—many using John Wesley's Covenant Service.

The First Sunday in January was observed as Family Prayer Sunday. The emphasis being placed upon the establishment of Family Bible Reading and Family Prayer in every Methodist Home.

Our Conference is at this time engaged in a year long, "Aldersgate Year Prayer Vigil." Every minute of every hour of 1963, somewhere in our Conference, some person in some Methodist Church will be in prayer. From the first day of January until the last day of December we will be having an unbroken chain of prayer.

On February 11, 1963, we had our Annual Convention on Evangelism at the Epworth Methodist Church in Lexington, Kentucky. The weather was severe and the roads were hazardous, but the attendance at the Convention was very good. Dr. Warner P. Davis, Chairman of the Board of Evangelism, presided over the Convention. Rev. Oren Simmerman, Jr., pastor of the new Aldersgate Methodist Church, Lexington, led the singing and furnished the special music. Rev. Donald Durham, Superintendent of the Maysville District, reported on his attending the National Council of Evangelism in Ocean City, New Jersey. Rev. William M. Pope, Conference Secretary of Evangelism, spoke on our Aldersgate Year program of evangelism. Rev. Ed Beck, of the General Board of Evangelism, challenged our Church to rise to its evangelistic opportunities in this day. Dr. Wayne Lamb, Superintendent of the Paducah District of the Memphis Conference, concluded the days program with an inspirational message on Aldersgate in the Life of Methodism.

One of the most profitable evangelistic activities of the Aldersgate Year Program has been the studying of the Book of Romans in the local church. John Wesley's Notes on the Book of Romans has been used as a study guide. Many churches reported that their Prayer Meetings grew in attendance and interest, and through this study the whole church experience a revival. Also many pastors preached sermons on Christian Experience using the Book of Romans as the Scriptural foundation of their preaching.

Throughout the Conference churches are planning special Aldersgate Sunday Services on May 19th. These services will be preceded by District Youth Rallies in each District on Saturday night, May 18th. In these meetings special emphasis will be given to definite Christian Experience in Conversion and a strong challenge given to young people to dedicate their lives to full-time Church related vocations.

There is a growing trend in our Conference for pastors to conduct membership training classes for new members coming into the church. This year many more such classes were held in previous years.

WILLIAM M. POPE, Conference Secretary of Evangelism

According to the pre-Conference reports of the District Secretaries of Evangelism, it looked as though we would have another increase in Church Membership this year—we received 1,882 persons into the church by profession of faith, 1,467 by transfer and 558 from other denominations. Making a total addition of 3,907. But this year the removals by Quarterly Conference Action almost equalled the additions by profession of faith. And we ended up with a net loss of 219 members.

A very effective work has been carried on in the realm of Church School Evangelism in several of the Districts. District and Sub-District meetings have been held and training schools have been conducted. The emphasis of this program is to increase the enrollment and average attendance in the Sunday School. This should be a continuing endeavor in all our churches.

In light of the exceedingly high number of persons whose names are being purged or removed from our church rolls by the Quarterly Conferences because of inactivity or loss of personal contact, we strongly encourage our ministers to use training classes for all persons joining our local churches and to use careful judgment lest, to gain members, there be guilt of pressure and haste which in the final sense may prove detrimental to one's spiritual life and the well being of our church.

The Board commends the approved Conference Evangelists for their effective work in evangelism this past year. They have held 183 Revival meetings in which 9,162 persons were won to Christ or restored to the faith, with 1,047 of these joining the Methodist Church. Also 1,156 persons pledge to establish a family altar and 834 persons pledged to tithe.

The Board recommends the following members of the Kentucky Annual Conference as approved Conference Evangelists for the coming conference year: Joseph Brookshire, Carl F. Froderman, James Gibson, Eddie Moran, Ford Philpot, James Rose, Maurice Stevens, and H. Gilbert Williams.

Also, the following are recommended as approved Local Preacher Evangelists: Edward Brown, G. C. Gaunce, Roscoe Jenkins, W. H. McComas, and Harry Wood.

The Board recommends William M. Pope as Conference Secretary of Evangelism.

The Financial Report of the Board of Evangelism will be filed with the Conference Secretary to be printed in the Conference Journal. (See Financial Exhibit E.)

#### **Ruggles Camp Meeting Association**

**PAUL STONEKING**

Ruggles Camp Meeting of July 1962 was one of the greatest camps in many years. The Lord answered prayer with many seekers at the altar during the ten day meeting.

Many improvements have been made on the camp grounds including a new girls dormitory with a new water system and rest room facilities. Also many other improvements have been added to the camp including roofing the boys dorms, painting them, remodeling the workers cottages and placing more and better furniture in each of these, improvements have been added to the kitchen such as new chairs, another refrigerator, and running water. The tabernacle has undergone a new paint job. Also other improvements for which we are grateful to each and everyone who helped to make these improvements possible.

The workers were Dr. Robert E. Coleman from Wilmore, Kentucky; Dr. James DeWeerd of Pennyville, Ind., and Mr. and Mrs. Ben Underwood had charge of the music. Rev. Sewell Woodward directed the youth program and Rev. and Mrs. Earl Roberts assisted. Many youth attended the camp and we are expecting many more the next year.

Over \$20,000 has been spent in the past two years and most of this for the improvements. At the present time the only indebtedness is \$1,500 and we hope to pay this off during our next camp meeting.

Ruggles Camp Meeting has great possibilities for the future and can be a blessing to Kentucky Methodism if the people called Methodist will stand by this great camp and support it with their prayers, attendance, and financial support.

We are grateful to our Heavenly Father for His wonderful leadership and blessing He has poured out on the Ruggles Camp Meetings.

#### **Program for Coming Year**

The climax of our Aldersgate Year Program will be a program of Conference-Wide Aldersgate Revivals, held consecutively in all seven Districts of our Annual Conference, on the following schedule:

Ashland District .....	Oct. 6-11
Borbourville District .....	Oct. 13-18
Covington District .....	Oct. 20-25
Danville District .....	Oct. 27-Nov. 1
Frankfort District .....	Nov. 3-8
Lexington District .....	Nov. 10-15
Maysville District .....	Nov. 17-22

Our Aldersgate Year Program thus far has been in deepening the spiritual life and concern of the pastors and people in the church. But now this deepened spiritual concern should manifest itself in evangelistic outreach to the non-Christian and the unchurched.

The general program and local church organization of the Aldersgate Revivals will be similar to that of the Simultaneous Revivals of last year, involving as many laymen as possible in the work of revival. Brochures are being printed at the Board of Evangelism in Nashville and will be distributed by the District Secretaries within a week or two after the close of this Conference.

Pastors should be preparing their church now for the Aldersgate Revival by engaging their evangelist, organizing their church and creating an evangelistic climate in the church. Our goal is to reach at least 5,000 people for Christ and bring them into the membership of The Methodist Church.

Rev. Eddie Moran, one of our Conference Evangelists, will serve as the District Director in all seven districts of the Conference. Preparation Rallies will be held in each District under the leadership of Rev. Moran and then during the Revivals he will conduct pastor's workshops.

**WARREN P. DAVIS, Chairman**  
**PAUL STONEKING, Secretary**

## COMMISSION ON CHRISTIAN VOCATIONS

The chief emphasis of the Commission for the year was the Bishop's Conference on the Ministry held in Lexington in September. Over 150 were registered for this conference and counseling was done in six categories. This conference was sponsored by the Commission on Christian Vocations.

The churches of the conference are being asked to emphasize recruitment for church-related vocations on Ministry Sunday.

The secretary of the Commission attended the Jurisdictional Convocation in Memphis.

For every effort at recruitment made by other agencies and boards of our conference we are grateful. We are especially appreciative for the emphasis made upon recruitment at the Annual meeting of the Woman's Society of Christian Service. A keynote speaker for this occasion was Dr. Arthur Hopkinson of the Joint Committee on Christian Vocations.

## CHURCH PROPERTY APPEAL

In 1934, the Mt. Gilead church, Frankfort District, was separated from the New Castle charge. Record of this change is to be found on page 49 of the Kentucky Conference Journal for that year.

In 1963, the New Castle church, in considering a plan to sell the parsonage, attempted to clear the title to said property.

At the request of the Mt. Gilead church, a special Quarterly Conference of that church was held May 19, 1963, at which time the Mt. Gilead church requested E. M. Fossett, District Superintendent, to appoint a Committee to determine the equity of the Mt. Gilead church, if any, in the above mentioned property. (Par. 184.)

The Committee was appointed and at a hearing held on May 28, 1963, with representatives of interested churches present, said Committee determined that the Mt. Gilead church should receive \$1,230, as their equity.

The New Castle church makes appeal from the determination of the Committee, to the Kentucky Annual Conference, in session at Richmond, Ky., June 4-8, 1963.

Bishop Gum, I move that this appeal from the New Castle church, be referred to the Board of Trustees of the Kentucky Annual Conference, who shall be directed by this conference to act upon the appeal of the New Castle church, in the name of, and by the authority of, the Kentucky Annual Conference; the decision of said Board to be the final decision of this conference.

EARL M. FOSSETT

The Cabinet of the Kentucky Conference has approved the request of the Whitesburg Quarterly Conference, that the former Camp Branch Methodist Church be presented to the Kentucky Annual Conference with the request that Conference declare this an "abandoned Church," and that the property be returned to the Clay Family as is set forth in the deed for this property.

Respectfully submitted,

## BOARD OF MANAGERS—HISTORICAL SOCIETY

Your Conference Historical Society submits the following report.

J. B. Hahn, Dorwin C. Snyder, and Mortimer Moss attended the meeting of the Southeastern Jurisdiction Historical Society at St. Simons Island, Georgia, August 21-23, 1962. The library has been moved from Union College to a room owned by the Good

Samaritan Hospital and in close connection with the Board of Education of the Conference, which Board is working in connection with our Board and keeps the key and gives assistance to any who wish to have access and use materials in the library. The library has and is being catalogued so that our materials may be readily found for use. We appreciate the willingness and cooperation of Rev. W. H. Smith and his staff to work with us in regard to accomplishing this end. We are requesting the cabinet to place W. H. Smith on the Board of Managers.

We are requesting each local church to secure a historian to write a history of said church and send a copy to the Society. Only a few churches have done so to date. We are also requesting each minister to give us a sketch of his life and ministry in the church, giving the salient facts and accomplishments. Only a few have done this thus far.

It is suggested that valuable manuscripts, documents, historical books, historical quarterlies, and journals, either be loaned or given to the Society for use by the Conference. Several books and journals have been added to the library recently.

We need journals of the three branches of Methodism before unification as far back as they may be secured, also any manuscripts, documents, or books of historical interest of the three branches. We need a copy of "Who's Who in Methodism" by Elmer T. Clark, and a copy of "Prominent Personalities in American Methodism" Vol. I, by Clinton T. Howell.

We are requesting each District Superintendent to appoint and give the names and addresses to the secretary a historical secretary in his district. The superintendents and secretaries to work with the Society in gathering and preserving historical materials, locating, placing suitable markers, and calling the attention of the Conference to these churches and places of historical interest.

Each minister is a custodian and carries responsibility for the proper making, keeping and preserving of the records of their churches. We as a Conference are lagging far behind many of the other conferences in this regard.

The report of the Treasurer is filed with the Secretary for the Journal. (See Financial Exhibit L.)

## REPORT No. 15

### BOARD OF MISSIONS

One of the most significant things occurring in Methodism today is the interest in the study of "Our Mission Today." This study, begun by the Board of Missions, was shared with other Boards and Agencies of the Church and has been in process of development for three years. Each Conference has had a Mission Study Team which has been concerned with a study of the nature and mission of the church today. The Study Teams from the various Conferences in Methodism met in three Regional Conferences in February, and ten members of our Kentucky Conference group were privileged to share in the Regional Conference on "Our Mission Today" in St. Louis.

These Regional meetings made it very clear that our Church today is moving into a period that will test our courage. The nature of the challenges to the Church are such that Christians must search and pray for a genuine renewal of faith and reflect seriously on the meaning of their faith and its implications for the world. We have come to the time in the life of Methodism when it is pointless to redouble our efforts when we have often lost our aim. The President of the Board of Missions, Bishop Richard C. Raines, has said:

"The motives and methods of the Christian missionary outreach are under attack in many parts of the world. The Christian church is thus compelled to rethink the basic reasons why missionaries go, and what they do. Is the missionary movement based solely on humanitarian motives and the desire to share the benefits of western science and freedom? When it becomes dangerous, do the missionaries simply withdraw? When and why did the missionary movement begin? What does God's word say about it? Was God concerned about the redemption of the whole human race from the very beginning? If God's coming into the world in Christ Jesus was the start of the Christian missionary movement in this world; if Christ came to save the whole world and has a message and a mission for the whole world, and deliberately sent his disciples into all the world, this reveals that the church's main God-given reason for existence is missionary outreach."

In order that we might rediscover the real nature and mission of the Church today, a special study is underway in all of Methodism in which we feel the Kentucky Conference must share with real purpose and dedication. It is not enough to have a series of Regional and Conference meetings. In order to be effective at all, this study must reach to every local Church.

In cooperation with the Board of Education, the Cabinet, the Woman's Society of Christian Service, the Commission on Christian Vocations, and the Methodist Student Movement, we are proposing a means by which every Church may look seriously at "Our Mission Today." We recommend that every local Church plan to have a study of "The Bible and God's Mission" edited by Dr. John R. Wilkins, in the Adult Division of the Church School during the last two Sundays in July and all four of the Sundays in August. This symposium, prepared by some of the ablest leadership in Methodism, is planned to be used by adults in Church School classes or in small study groups. It is our conviction that this can best be done during the Church School period in all of our churches if careful preparation is made for it. In many instances, it may seem appropriate for the pastors to make the presentation of this study his own particular responsibility. We have the fear that unless we discover what the Scripture says about the mission of the Church and what the mandate from Christ actually is that we will not recover our sense of mission. We believe that every local church can benefit richly from sharing in the use of this Bible study and better understand the mission of God to the world and our part in it.

We further recommend that the book "Our Mission Today—The Beginning of a New Age" by Dr. Tracey K. Jones, Jr., be used for special study groups such as the Mid-week service, Bible study groups, and Fellowship groups in such a manner that each

local Church will benefit from what is believed to be one of the most important books of this decade. We believe each local church must develop its own plan for presentation, but we do feel the study should be at the same general time throughout the entire Conference and at that the time should be immediately following the District Missionary Institutes this fall. We wish to emphasize that this is not another mission study booklet. This is a study sponsored by all the Boards and Agencies of the Church and should reach the total life of each local church in so far as that is possible.

It is very evident that we are living at the beginning of a new age. It is vital that the Church undertake the task of understanding the meaning of this new world civilization and the relationship and responsibility of the Church toward it. If every local Church enters into a serious study of "The Bible and God's Mission" during the months of July and August and then follows it with an intelligent study of "Our Mission Today," we believe that Methodism will begin an awakening to its true mission in the world today. We urge every pastor and every Official Board to take upon itself the responsibility for planning these studies effectively in each local church.

#### **Our Relationship to the General Board**

We express sincere appreciation to the General Board of Missions for their continued cooperation with the work of missions in our Conference. We express our special thanks to the Joint Section of Education and Cultivation, and particularly to Dr. John R. Wilkins, for leadership in the exciting new effort to discover our mission today.

The Division of National Missions has continued to cooperate with us in the work of Home Missions and Church Extension. We especially express appreciation to the Division for a \$7,500 donation to the Wilmore Methodist Church for a Methodist Students' Center included in their new building program which will make possible a more effective ministry to the many Methodist students which are there. This donation was made in memory of Mr. M. M. Dossett of Burgin, Kentucky, who left his entire estate amounting to almost \$200,000 to the Division of National Missions for loans to churches in Kentucky. The Division felt that this was a fitting way to express appreciation for the memory of Mr. Dossett in his genuine contribution to the work of missions.

During the year, the President of our Conference Board of Missions was elected to membership on the General Board of Missions thus giving us three persons now representing our Conference on this important Agency.

#### **Conference Concern**

The whole of Methodism is being alerted to the critical part the Advance Special program has in our total missionary out-reach. As a Conference we are becoming more sensitive to this phase of our missionary emphasis. We appreciate the work done by Rev. James A. Norsworthy with the cooperation of our Conference Treasurer in making available a report by districts and churches reflecting our status in the Advance Giving category. Our emphasis on the Four-lane Special giving will produce a fruitful response from all of our churches.

The leadership of our Bishop Walter C. Gum has challenged our churches in a very definite way. His episcopal visit to India last winter has broadened his personal knowledge and deepened his insights to give even stronger leadership to this important phase of the Kingdom's work committed to us. The response to his appeal for help in the flood stricken areas of our conference was gratifying and appreciated.

Response to the Kentucky Methodist Mountain Mission under the able leadership of Rev. John H. Lewis has shown a marked increase. We are taking new interest in the Advance Conference and Home Missions program within the bounds of our own conference.

#### **Courtesy**

Our Board is particularly appreciative of the sacrificial and most competent work which is rendered by the treasurer of our Conference Board of Mission, Mr. A. E. Bodenstein. We express appreciation, also, for the faithfulness and cooperation of the Church Extension Committee of which Dr. G. R. Tomlin is Chairman and Rev. Albert Nunery, Treasurer. Rev. James C. Norsworthy has given able leadership as Conference Missionary Secretary.

Reports to be included in the Journal with the report of The Board of Missions are: (a) Conference President of the Woman's Society of Christian Service, (b) Kentucky Methodist Mountain Missions, (c) the Committee on Church Extension.

**(a) Woman's Society of Christian Service and Wesleyan Service Guild**

It is with much pleasure that we can make this report of the accomplishments of the Woman's Society of Christian Service and the Wesleyan Service Guild for the year 1962-63.

Because of the untiring efforts on the part of the officers, secretaries of lines of work, the district presidents and the many committees we are able to report gains in many areas of service.

Truly we are indebted to Bishop Gum, the District Superintendents and to our many loyal ministers throughout the conference for their interest and support as we promote the program of the Woman's Division of the Missionary Program of the church.

For the past few years there has been a loss of some of the smaller societies, decreasing the membership, of course. This fact has caused much concern but, more than that, has offered a challenge which we have accepted. Gains on this frontier can be met because we have a Faith that Compels.

Many women took advantage of the annual schools of missions during the past summer. Twelve women from our conference attended the Southeastern Jurisdiction school at the end of June. This was followed by our own Spiritual Life Retreat and School of Missions which was held at Sue Bennett College, July 22-27 with 140 women in attendance. Mrs. E. U. Robinson, chairman, Spiritual Life Committee of the Woman's Division, was the leader for the Spiritual Life period of the meeting and was one of the teachers in the school. Miss Mariam Parsell, Division Field Worker; Mrs. Paul Arrington, member of the Southeastern Jurisdiction Executive Committee; and Mrs. Paul Powell of the Louisville Conference were members of the teaching staff, also. The Rev. Donald Welsh conducted the Bible Hours.

Forty-three women were in attendance at the School of Missions for the first time. The Guild Week-end followed with 115 registered delegates of which number 22 were also "first timers." Much good fellowship was enjoyed, as always, when on Sue Bennett campus.

Seminars, held in each district, had decided increases in attendance. Leadership training was a very definite part of the many sub-district programs. The leaders in the districts made a great effort to reach out into as wide an area as possible, thereby reaching more women. The efforts truly were rewarding.

The supplementary gift of \$10,000.00 to Sue Bennett was paid in full during the second quarter of 1962-63. This money, added to an extra-allocation from the Woman's Division and a very generous gift from the estate of Miss Minerva McDaniel, has made it possible to start a new science building in the very near future.

At the recent annual meeting the Wesleyan Service Guild adopted the new Racial Charter. This action was taken a year ago by the Woman's Society of Christian Service, Kentucky Conference.

The annual meetings, Woman's Society and Wesleyan Service Guild, were held at Immanuel Church in Ft. Mitchell April 24-28. Attendance at both meetings was excellent. Many of our missionaries and deaconesses were welcomed. Miss Charlotte Taylor, secretary to Bishop Booth, spoke briefly of her work in the Congo; Miss Carolyn Waybright told of her service in the educational world; Miss Julia Rose and Miss Frances Peacock reported on their activities at Sue Bennett. Miss Jewell Brown is also serving at the Sue Bennett School. There are now five deaconesses within the bounds of the Kentucky Conference. Miss Jennie Flood heads up the Rural Work in the Harlan County area and Miss Doris Shover succeeds Miss Bobby Ferguson as the Casey County rural worker. Miss Ferguson is now on a mission field in South America.

The great need for more trained workers is so evident. As the seventy-fifth anniversary of the Deaconess Movement is being observed, it is hoped that many girls and women will dedicate their lives to full time Christian Service as Deaconesses. Recruitment has been and will be of great concern to the Kentucky Conference. Our youth must have more dedicated leadership. They must not be lost to a world of indifference. They want their lives to count for something. We must help them find their fields of service. What could we do that would be more important?

As we have studied about the many Factors Confronting us, the Frontiers that are calling us, we, as members of the Kentucky Conference Woman's Society of Christian Service and Wesleyan Service Guild, must exercise that Faith which Compels us—compels us to carry forward a program that Unites us in Christian Witness and Service.

MRS. JOHN CREECH, President

**(b) Methodist Mountain Missions in Kentucky**

The Methodist Mountain Missions in Kentucky has made great progress this year.

*Six Stores*—Two new stores have been opened this year. One at McKee and the other at Martin. This brings the number to six stores.

*Employment and Economical Help*—This year the mission has employed twelve additional employees making a total of 32. This is a contribution to the economy of this section. It also contributes to other businesses such as filling stations, garages, shoe repair shops, and laundries.

*Bibles and Literature*—More Bibles have been sold than ever before and a large number of church magazines and other good literature given away.

*Radio Program*—Our radio program has been improved and serves a great purpose.

*Advance Specials*—We have the largest amount of Advance Specials and donations we have ever had. The amount being \$11,974.05. The following churches have received help: East Bernstadt, Wyatt Chapel, Lamero, Camp Ground, Mt. Gilead, Estill County Mission, Hampton, Wolverine, Bach Memorial, Vicco, Evarts, Black Mountain, Hardy, Richardson, Garrett, Emma, and Warfield.

The building of Sunday School rooms at Bach Memorial is probably the most outstanding thing of the year.

The books have been audited and a copy filed with the Secretary of the Board and the Conference Secretary.

JOHN H. LEWIS, Supervisor

**(c) The Committee on Church Extension**

The Church Extension Section of the Conference Board of Missions has administered funds committed to our care by the Board. We have also handled recommendations to the General Board's Division of National Missions. The report of the treasurer will give a record of the funds administered during the year.

Through the Crusade Funds we are assisting in building new churches in Lexington and Frankfort, and at this time both of these congregations have full time pastors. We have helped in re-locating Lamberts Chapel in the Danville District. In Corbin the United Church of Christ gave their property to the Corbin Second Methodist Church, and the members of the United Church of Christ united with the Methodist Church. We are using some of the Crusade Funds to purchase additional property to expand the church facilities. We have made a grant to our church at Washintgon in the Maysville District for re-location.

We urge all churches to pay their Crusade pledges in full, and assist the causes involved in this fund.

G. R. TOMLIN, Chairman

The following financial reports will be filed with the Secretary of the Conference to be included in the Conference Journal: a) Treasurer of Kentucky Methodist Mountain Mission (See Financial Exhibit F); b) Treasurer of the Conference Board of Missions (See Financial Exhibit G); c) Treasurer of the Church Extension Committee (See Financial Exhibit H).

**Mission Assistance Requests**

At a meeting of the District Missionary Secretaries of the Kentucky Conference, the askings of the Districts for Mission Assistance to churches were reviewed.

The motion was made by D. R. Herren and seconded by W. A. E. Johnson that all askings be approved provided that surplus emergency flood relief monies are made available to the Barbourville and Ashland Districts, with the request that each District Superintendent be required to diminish his askings next year (1964-65) by 15% with the exception of the Frankfort District, which has cut its askings greatly in recent years.

The motion was passed unanimously.

The askings which were approved are attached to this report.

##### REPORT OF KENTUCKY ANNUAL CONFERENCE DEACONESS BOARD

Bishop Gum, together with the Cabinet, the six deaconesses serving within the bounds of the Kentucky Conference, and representatives of various boards and agencies of the Kentucky Conference met on Wednesday evening, June 5, 1963, for the purpose of organizing the Kentucky Annual Conference Deaconess Board.

The following officers were elected:

President—Miss Jennie Flood  
Vice-President—Mrs. J. W. Holbrook  
Secretary—Miss Carolyn Waybright  
Treasurer—Miss Julia Rose

The following persons were added to the executive committee: the secretary of the Cabinet, the President of the Conference Woman's Society of Christian Service, and Mrs. C. L. Cooper.

"In each Annual Conference there shall be a Conference Deaconess Board.

"The purpose of the board shall be to create and maintain interest in deaconess work, to establish and interpret deaconess relationships to the Annual Conference, and to co-operate with the Commission on Deaconess Work in forming policies and making recommendations regarding deaconess work.

"The board shall be composed of all active deaconesses serving within the bounds of the conference; the members of the Cabinet; pastors of local churches employing deaconesses; four representatives of the Conference Woman's Society of Christian Service; one representative from the Commission on Christian Vocations; and one representative, not a deaconess, from the local board of managers or committee of each project within the conference where deaconesses live or are employed. Retired deaconesses living within the bounds of the conference shall be honorary members, having the privilege of the floor without vote." (1960 Discipline, pars. 1, 2, 3.)

Since this is the 75th anniversary of the Methodist deaconess movement in America, the Commission on Deaconess Work sent to us for our Conference Deaconess program Miss Betty Ruth Goode who is traveling for the Board of Missions in the interest of recruitment for Christian vocations.

Deaconesses presently serving within the bounds of the conference, and their respective places of service are: Jewell Brown, Frances Peacock, and Julia Rose, Sue Bennett College; Jennie Flood, Harlan County Church and Community Work; Evelyn Bloomer, Conference Director of Children's Work; and Carolyn Waybright, Director of Christian Education, First Methodist Church, Ashland.

##### BOARD OF CHRISTIAN SOCIAL CONCERNS

The Board of Christian Social Concerns of the Kentucky Conference is charged with the responsibility of making Methodists aware of the social ills in society and then

leading them to do something about correcting those ills in the spirit of Jesus Christ.

We are interested in people. John Wesley said, "Christianity is essentially a social religion . . . and . . . to turn it into a solitary religion is indeed to destroy it." Society is made of people. Christ was and is interested in people. One cannot read the gospels without being aware of this fact. He was interested in people in all conditions and circumstances of life. He expressed this interest by helping them to a better way of life.

It is not enough to say we love God. We must express our love for God through deeds and actions directed to the down and out and the underprivileged by helping them achieve abundant life through Jesus Christ. To do otherwise is to fail the Christ who redeems all men.

Christian Social Concerns touches every interest of life and attempts to show how Christian principles can be related to these interests.

Reports from the churches of our Conference indicate that each year more and more local churches are becoming active in the cause of Christian Social Concerns. We challenge all the pastors of the Conference to become familiar with the work of this Board and to work the program that will be most effective in the local church and community.

#### **The Division of Human Relations and Economic Affairs**

The Division of Human Relations and Economic Affairs is charged with the responsibility of conducting a program of research, education, and action centering around the following Christian Social Concerns: race relations; civil liberties; public policy on education; church and state relations; civic responsibility; labor-management relations; agriculture; conservation; government and private economic policy and practice; technological change; unemployment; and housing. Accepting this charge, the Division of Human Relations and Economic Affairs is attempting to structure a program that will alert "the people called Methodists" to their Christian responsibility in these various areas.

We believe in the sanctity of the home; therefore we seek protection of the family by high standards of morality. This demands Christian education for marriage, parenthood, and the home. It demands adequate housing for families.

Since the family is the basic unit of society we believe that the church must be vitally concerned with all the needs of the family including health and welfare needs.

We fully acknowledge our stewardship under God and our accountability to Him. We believe in the right of each individual to acquire property by Christian processes. It is our firm faith that Christianity cannot be identified with any economic system. Rather, every economic system must be tested by the commands of Christ and its practices judged by the Christian gospel. We believe that it is our duty as Christians not only to bring Christ to the individual, but also to bring the society within which we live more nearly into conformity with the teachings of Christ. We believe that the free democratic way of life ruled by Christian principles can bring to mankind a society in which liberty is preserved, justice established, and brotherhood achieved. We believe in the dignity of man. We think the time has come to recognize the right of every person to all public conveniences without regard to race.

It is our firm belief that the economic development which makes possible material plenty for all imposes upon us a great moral responsibility in that the physical and spiritual development of millions of persons throughout the world is now needlessly hindered by poverty. We therefore stand for the abatement and prevention of poverty everywhere.

Since lack of significant employment tends to destroy human self-respect, we believe that it is our Christian duty to provide for all men opportunity to earn an adequate livelihood for themselves and their dependents.

Since Jesus told us we cannot serve God and mammon we recognize the perils of wealth. As Christians we must examine earnestly before God both our personal and business practices, lest we unwittingly adopt the standards and assumptions of a materialistic society to the exclusion of our Christian stewardship.

Since churches and their institutions invest funds and employ labor, care must be exercised that all such working conditions conform to the highest Christian standards.

We recognize the right of the worker to be surrounded by good working conditions. We urge the protection of the worker from dangerous and unsanitary working conditions, and from occupational diseases.

We stand for reasonable hours of labor, for just wages, for a fair day's work for a

fair day's wage, for periods of leisure, and for an equitable division of the product of industry.

We further stand for the regulation of working conditions of women, especially mothers, and safeguards for their physical and moral environment.

We further stand for the right of employees and employers alike to organize for collective bargaining; protection of both in the exercise of their rights; the responsibility of both to bargain in good faith; the obligation of both to work for the public good.

We recognize that our society is becoming increasingly urban. The city is a center of power for good or evil, and the multitudes who are already there and the multitudes from rural areas who are moving there desperately need the guidance of the Christian religion. The church must recognize that the city exhibits great needs and offers amazing opportunities for kingdom building.

We declare our belief in and support of the inclusive church. With Major J. Jones, we say, "... the church is a fellowship wherein the relationship is not with one another, but rather it is always with the Father and with his son Jesus Christ. *Koinonia* means fellowship, participation, sharing, communion, community, and it is related to Christ, the Father, and the Holy Spirit. The true basis of the church's unity in Christ and of the unity of the members of the one body is a *koinonia* of the spirit." We, therefore, urge the churches of the Kentucky Conference to use the film "The Inclusive Church."

#### SUPPLEMENT A

##### Race

As Methodist Christians, we deplore the practice of racial segregation as unfair, illegal and unchristian. Regarding present social upheaval between the two races, we applaud all non-violent attempts to break down segregation barriers which now exist. But we recognize that there must be intelligent and responsible acceptance of rights and privileges by all citizens. When non-violence has issued into violence we speak our unequivocal opposition—but we accept our share of the blame for the problem which has given rise to these less than perfect solutions.

We suggest that each local Methodist Church in the Kentucky Conference urge the Community in which it exists to establish a "Mayor's Committee on Human Rights," according to the plan proposed by the present governor of the commonwealth, as an effective measure toward desegregation. We urge each local church Commission on Christian Social Concerns to plan for and execute an adequate and progressive Race Relations Day program. We suggest that opportunities be provided at various times during the 1963-64 conference year for integrated worship, study and fellowship in our conference churches. Finally, we recommend that those churches in biracial neighborhoods explore avenues leading to the invitation of all races to worship Christ together.

#### SUPPLEMENT B

##### Citizenship

As Methodist Christians we deplore unchristian conduct in political campaigns at any and all levels of government; because it points up the apathy, indifference and ignorance of far too many people.

Since the Word of God assures us "That righteousness exaltheeth a nation" we recommend the following actions:

We encourage qualified Christian laymen to seek election to public offices as a Christian responsibility to the community, state and country.

That when suitable responsible candidates are seeking election we urge our people to support them during the necessary campaign and ALSO during their tenure of office.

That beginning of all political campaigns we use every appropriate available means of publicity to inform all candidates and the people that character assassination, inuendo, unprovable statements reflect unfavorably upon the dignity of our great democracy and should NOT be used.

We urge our membership to openly investigate the attitudes upon all moral issues involved in an election, of all candidates for election; as a guide to decisive action in determining their support.

We request all local and state authorities to let it be known that all accusations of a public nature, e.g., misappropriation of public funds; will be investigated and if found true, prosecuted to the limits the law allows.

We further recommend that all members make full regular and intelligent use of

their privilege "the right to vote" in all elections. Freedom and democracy will only continue to be in our age as long as we exercise all its responsibilities and duties.

#### **The Division of Peace and World Order**

We believe it is possible for the world, now in the throes of a cold war, to achieve peace in our time. This is neither wishful thinking nor mere optimistic idealism. This conviction grows out of our firm faith in the Lordship of Jesus Christ. We believe that Jesus is Lord and Savior of the individual, but his Lordship does not end there. He is also Lord and Savior of the social, the political, and the economic order of which the individual is a part. Because of this belief we are sure peace will come as mankind embraces the Lordship of Jesus and lives by the principles He enunciated.

There are many extremely difficult problems that stand in the way of peace. However, we believe these problems can and will be solved when men face them in the spirit of Christ and apply to them principles of the Christian faith. We believe that Christian people, working under the leadership of the Holy Spirit, can do mighty things to bring forth peace in our time.

We believe in disarmament. In this age of mounting tension between nations of the world disarmament offers hope to mankind. In 1960 the General Conference of The Methodist Church said, "Only complete disarmament, involving both nuclear and conventional weapons, down to the levels required for internal policing will deprive nations of the tools of war." We are grateful that this is the disarmament policy adopted by our government. Through the U. S. Arms Control and Disarmament Agency it is working to get this bold plan for peace adopted by other nations of the world. We sincerely commend our government for presenting this bold plan to the nations of the world and we urge it to continue to use its good offices with intensified effort to secure its adoption by all nations.

We are fully aware of the many extremely difficult problems involved in disarmament. Yet we are confident that none are insoluble if we sincerely put ourselves to the task of seeking a solution. We agree with Rodney Shaw when he said, "The mission of the Church in this crisis is not to challenge the world to balance precariously on the perch of arms control between the desert of war and the Promised Land of peace. The Church must call man to march forward in a bold response to the greatest threat he has ever known and the greatest opportunity he has ever confronted." We urge "all people" to pray without ceasing "for the cause of peace."

During the year we have been encouraged by the response to the Race for Peace. On September 17, 1962, at the Conference-wide Race for Peace Rally in Lexington, following Bishop Walter C. Gum's challenging address, two hundred seven persons signed the Covenant for Peace. Following the Rally, eight district rallies were held with an excellent response to each of them. The large number of churches presenting the study book, *NONE SHALL MAKE THEM AFRAID*, is an indication of the response to the Race for Peace Rallies. The Race for Peace program conducted in our Conference during the past year gave each Methodist in our Conference an opportunity to make a real contribution to the race for peace. We urge that the Race for Peace emphasis be continued during the 1963-1964 conference year.

During the past year when the Cuban crisis was so acute, we saw again a demonstration of the value of the United Nations. We believe the United Nations is the most effective organization that exists today for achieving world peace. We sincerely urge our people to support the United Nations in its efforts to achieve peace. We strongly urge all Methodists to use whatever influence they have to counteract any and all efforts that attempt to discredit or undermine the effectiveness of the United Nations. During the week of October 20-26 we urge our people to join other community agencies in the observance of United Nations Week that all of the citizens of this Commonwealth may come to a better understanding and a greater appreciation of the organization.

We sincerely believe that peace can come in our time. If mankind had the will and the determination to apply the intelligence it possesses to the cause of peace then peace can come in our time and the nations of the world can beat their swords into plowshares and their spears into pruning hooks and live together as a family of nations under the Fatherhood of God.

#### **The Division of Temperance and General Welfare**

Our nation faces many problems today, but none are greater than the alcohol problem. Drinking and drunkenness continues to be on the increase year after year.

The effects of drinking are alarming. Yet we seem to tolerate this evil with little protest from church people.

As a Conference Board we urge all our members to take a positive stand against this awful curse which has been brought upon the human race by men who love money more than they care for the lives of men, women, and children. We urge our churches to promote a program of information, education, and rehabilitation in all phases of the church work. We hope the church will seek to curb the false advertising of alcohol and narcotics, especially in its appeal to the youth and women of our nation; and we further urge all our people to support any legislation that will curb the advertising and sale of alcohol.

We are glad that The Methodist Church still observes Commitment Day in our churches. The signing of a commitment card may start some boy or girl on the road of sobriety. We urge our pastors to promote this Day in all our churches.

Another evil we face today is pornographic literature sold on news stands and sent through the mail. It is appalling what our youth, and adults as well, are seeing and reading along this line today. This must be curbed; otherwise our nation will some day reap an awful harvest from this literature that pollutes the minds of men. We urge our people to expose this evil in every way possible.

Still another evil that is growing by leaps and bounds in our nation is gambling. This is a dangerous evil, and we must face it with courage and determination lest the gambling syndicates take over our nation. We urge our people to fight this evil in whatever form it may appear—large or small. It must be outlawed.

We urge our people to use the God-given right that has been granted them in a free world—the right to vote. We, the people, should be responsible for the laws of our state and nation. If we fail to vote on vital issues then we have no right to complain about conditions in our nation.

The local church has a great responsibility and great opportunities to promote programs that will be for the uplift of humanity and make our world a better place for the coming generation to live. Let us not fail in our responsibilities that we owe to the past and the future generations. We urge all pastors to see that the Commission on Christian Social Concerns is organized in each local church and that it shall fulfill the purposes for which it was created. If the church does not cry out against the evils of this day, then who can we expect to be heard in this field, or if the trumpet give an uncertain sound who will prepare for battle? To be against something today will not make us popular, nor will it bring us the approval of the world, but we must remember they crucified the Lord of glory because he would not conform to the ways of the people of his day. Are we better than our Master? If we are to be his disciples we must take up our cross and follow him. May God help us to be workers of his that need not to be ashamed.

#### Recommendations

The major program emphasis during the next year will be in the Division of Temperance and General Welfare. The theme will be "Moral Man and Moral Society." We recommend that all our churches give attention to this theme. Material for the program is available from the General Board of Christian Social Concerns.

In the first few days of 1963 our Board will join the Board of Christian Social Concerns of the Louisville Conference in a Legislative Seminar to be held in Frankfort just prior to the opening of the Legislature. We recommend that our churches inform their state representatives and senators of their interest in good legislation.

Much has been said about the proposed income tax revision that would place a 5% floor on charitable contributions before deductions are allowed. We believe this would seriously affect giving to the church and church-related institutions. Therefore we recommend that our Methodist people voice their feelings about the proposed tax revision at this point.

As local Commissions on Christian Social Concerns plan their programs we recommend that they use the special day emphasis to educate the people in the area of Christian Social Concerns.

We commend the worthy efforts of legitimate temperance organizations at work in our state and we recommend that our people cooperate with them in the cause of temperance when opportunities arise.

We urge our Methodist people to contact state legislators, both representatives and senators, requesting them to oppose all forms of legislation that would permit any form of gambling including sweepstakes and lotteries.

The report of the Treasurer of this Board is attached to this report for inclusion in the Conference Journal. (See Financial Exhibit M).

## REPORT NO. 18

### COMMISSION ON TELEVISION, RADIO AND FILM

The Television, Radio and Film Commission has completed its seventh year of service to the Kentucky Conference by seeking to fulfill the responsibilities outlined in Paragraph 1583 of the 1960 Discipline.

In an effort to fulfill its task, TRAFCO has endeavored to work in three areas as follows:

#### Broadcast

During the current year the Broadcast Committee has made a concerted effort to encourage the use of Methodist-produced devotional tapes by local radio stations and to encourage local pastors to utilize as much public service time as possible in the local communities. The committee also sees that a part of its responsibility is to encourage local pastors to upgrade the quality of their radio programming.

In projecting the TRAFCO program for the next year, the Broadcast Committee has set up the following program:

- I. That a Radio Broadcasting Workshop be held in each district—under the direction of the TRAFCO, District Secretary and the District Superintendent.
- II. That arrangements be made for "Breakthru," Methodism's new TV series for children, to be scheduled for telecast over one of the Lexington stations in the fall of 1963.

#### Audio Visual Committee

One of the most important functions of TRAFCO is to assist all Boards and Commissions of the church in utilization of the Audio-Visual Aids that are available. To meet this objective, the A-V Committee has sponsored five Audio-Visual Institutes in the Conference. These institutes, under the leadership of TRAFCO District Secretary, have reached 188 persons from 72 churches. The Committee recommends that those districts that did not have an A-V institute in 1962-63 make every effort to have them in 1963-64.

The A-V Committee, with the approval of the full commission, has also assisted the Board of Education, and other Boards and Agencies of the Conference, in the formation of a Conference Film Library.

The Conference Film Library, housed in the Board of Education Office, Lexington, has had great success during the year. At present there are 97 member churches. In addition to 175 filmstrip titles, there are two 16mm. sound films on the free rental basis and four additional sound films on the rental-purchase plan (rental fees paid to Conference Library instead of Cokesbury, said fees to be applied toward the purchase of the films).

The A-V Committee recommends that the Film Library Committee again seek a \$50.00 contribution from each board and agency in the Conference, along with a list from each body as to which materials ought to have purchase priority. We also recommend the continuation of the \$5.00 membership fee, but recommend that borrowers, both members and non-members, be charged for tardy returns. We recommend that a supplement to the Library Catalog appear since the issuance of the original catalog-projected date for a new catalog, February 1, 1964.

At the 1963 Annual Conference Session, the A-V Committee will again conduct a *Display-for-Learning* room, under the direction of Miss Lavetta Serrett, for exhibiting

the educational value of non-projected visual aids. In addition, there will be a display-preview room for the showing of any item from the *Conference Film Library*. Regular showings will take place at the close of each Evening Session, with these films featured: "Skippy and the Fourth R"—"Worship"—"A Family Heritage" and, if possible, the pilot film of "Breakthru II"—the children's TV series. Additional showings of film and filmstrip, as well as A-V equipment, will be available upon request.

#### Finance Committee

The Finance Committee makes the following recommendations:

- I. That the Conference continue its goal of giving 10¢ per member to General TRAFCO for the TV Ministry Fund. In the event the full amount cannot be given, it is recommended that the Commission on World Service and Finance provide the maximum support possible for this fund. It is also recommended that Daily Vacation Bible School offerings be sent to the General TRAFCO to be used in the financing of "Breakthru."
- II. That the Commission of World Service and Finance appropriate \$750.00 to Conference TRAFCO to meet the operational needs on the conference level.

#### Breakthru

Donald R. Herren, TRAFCO representative to Lexington Council of Churches, has made arrangement for "Breakthru" to be telecast on WLEX-TV (Channel 18) in early fall. This showing will be sponsored by the Lexington Council of Churches and public service time will be donated by the station.

Churches within the area served by this station will be advised of details at a later date, through the District TRAFCO Secretaries.

An itemized report of the treasurer has been filed with the Secretary of the Conference for the Journal. (See Financial Exhibit N).

### REPORT NO. 19

#### COMMITTEE ON PUBLISHING INTERESTS

Your Conference Committee on Publishing Interests was reorganized on February 11, 1963. The Committee met on March 18 with Mr. George M. Curry, associate publisher of the Methodist Publishing House. The plans for the coming year that are a result of that meeting are included in this report.

There are three main functions of the Committees on Publishing Interests. (We use the plural "Committees" here because whether on a conference, district or local level the functions are the same). (1) These committees are to serve as a line of communication between the local church and the publishing agencies and also to interpret to the local member the purposes of and services offered by the Publishing House. The first function then is one of *liaison*. (2) The committees are to *promote* TOGETHER magazine, the use of Methodist literature, and to aid the people of our churches to a better and more extensive use of publishing services. (3) The committees are also to *commend reading* to our people, pointing them to the many good books offered through the convenient order method. We especially encourage local churches to establish libraries.

Some facts concerning the Publishing House should be borne in mind. As stated by Mr. Curry, "The Publishing House is a part of the Church's Witness to the Gospel. The Publishing House and its agencies witness through the printed page." It is an arm of the Church as much as any board, or commission. However, it is the only branch of our Church on the General Church level that is not supplemented financially by World Service or some other funds. On the contrary, it gives back to the Church all would-be profit for the pensions of its ministers.

The organization of the Publishing Interests Committees, related agencies and resource persons is as follows. The people at the Publishing House in Nashville stand ready to serve and provide needed information, as well as to receive any suggestions that may make their ministry more meaningful and helpful. Our chief contact person at the Publishing House is Mr. Curry. The Conference committee provides the program and its members are eager to receive your suggestions. The District Committees, which are to be organized, with the District Secretaries as heads form a most vital link,

without which the entire program of Publishing Interests would fail. In addition to these phases of organization and beyond the local level the conference boards of education, Rev. Hugh Smith and his workers, are available as resource persons at the point of giving information as to the true use of Methodist literature.

#### Organization of Local Church Committees

Since no program in The Methodist Church is stronger than the organization and activity on the local level and because the entire program of Publishing Interests is beamed to serve the local church, it is most necessary that local churches have publishing interests committees. BE IT THEREFORE RESOLVED that in every local church of the Kentucky Conference a committee on Publishing Interests be organized. BE IT FURTHER RESOLVED that these committees be organized immediately after conference and that each pastor report the name of the chairman and the number of the members on the committee to his district secretary on Publishing Interests not later than July 10. The committee may be nominated by the committee on nominations of the Official Board or by the pastor and elected by the official board. The name given this committee should be "Publishing Interests Committee," because this is the name used throughout the manual, "Committee on Publishing Interests" and will be the official name as of General Conference 1964, (although the name still standing in the Discipline is "Good Literature Committee," paragraph 278.2). We ask that each District Superintendent aid the District Secretaries in seeing that these committees are organized in each local church. We commend these churches who now have "Good Literature Committees" and request that they change the name to "Publishing Interests Committee," and use the new manual.

We propose the following *program* for the year 1963-1964.

#### I. SUBDISTRICT MEETINGS

We propose to have a total of eight subdistrict meetings in four of the Districts, two to a district. (The rest of the conference to be covered next year). The local church committee on Publishing Interests, the pastor, the chairman of the Commission on Education from each Church are to attend these meetings. Three main topics will be discussed by leaders from Nashville: TOGETHER Magazine, Methodist Literature, and the general use of the Publishing House.

#### II. TOGETHER MAGAZINE

We commend the publishers of TOGETHER magazine for their excellent work and especially for their coverage of Aldersgate in this the 225th anniversary of John Wesley's heart-warming experience. BE IT THEREFORE RESOLVED that the number of TOGETHER subscriptions in the Kentucky Annual Conference be raised. We propose to have a TOGETHER WEEK in the fall, the date to be announced later in which every church in the conference will have a drive for more subscriptions. The goal in each church should be to reach a new percentage bracket (and thus a new payment bracket) as follows: Those churches now having less than 10% of its members receiving TOGETHER raise to 10%; those having more than 10% of its members but less than 20% raise to 20%; those having more than 20% but less than 30% raise to 30%. The rates are listed below.

#### *Together Subscriptions*

Following are circulation statistics for the Kentucky Conference. These figures are shown for the April 1962 and April 1963 issues of TOGETHER and reflect only paid subscriptions.

1. Individual subscription rate is \$5.00 per year in advance.
2. The new subscription rates for the FAMILY PLAN are as follows:

Subscription Coverage	Church Billed Once Each Quarter
A. 10% of church's total membership	.78¢ per subscription
B. 20% of church's total membership	.69¢ per subscription
C. 30% of church's total membership	.63¢ per subscription

When fewer than 10% of the full membership subscribe through the church office, the rate is \$3.96 each, cash with order.

### III. METHODIST LITERATURE

It is noted that approximately one-fourth of the church school classes of our Conference are not now using Methodist literature. (See report below). We vigorously urge all persons connected with the work of the Publishing Interests Committee and all connected with the educational work of our church to see that this condition is changed as soon as possible. We further ask that each district superintendent aid the local pastors in seeing to this change. Care should be given that the right Methodist form of literature be used with each class. If this is not done unnecessary dissatisfaction and poor teaching methods may arise.

### IV. CHURCH LIBRARIES

We propose that every Church have a library. In regard to physical location and size, this will vary from a few books on shelves in the corner of a church school class room for the smaller church to the room reserved and containing many books in the larger church. It should be noted that every church having a library and having registered this fact with the Publishing House is entitled to a 20% discount on books.

### REPORT No. 20

#### BOARD OF HOSPITALS AND HOMES

Jesus said, "Suffer the little children to come unto me and forbid them not"; He ministered to the sick and suffering, and told the story of the Good Samaritan; and His last words with relation to other persons was when He committed his mother to the care of a Disciple. Thus He showed his concern for persons in need. This same concern is revealed on the part of His church in the work of the Board of Hospitals and Homes.

Mr. Olin E. Oeschger, executive secretary of the General Board of Hospitals and Homes, in his report says "John Wesley, realizing the necessity for 'Good Samaritan' services, converted the Old Foundry in London, once a factory for making cannons, into a place for Charity, where, in 1748, it was caring for nine widows, one blind woman, and two poor children; two upper servants, a maid and a man. In addition, it housed the first dispensary for the distribution of medicine to the poor and

needy as well as to members of the society of Methodists." Because of the emphasis of Jesus in ministering to persons in need, and the heritage we have as Methodists, the Kentucky Conference carries on the work of taking under its care children in need through the Methodist Home at Versailles, Ky.; and in ministering to the sick and injured in the Good Samaritan Hospital, Lexington, Ky., and The Methodist Hospital of Kentucky at Pikeville, Ky.

Mr. Oeschger also says "Amidst the complexities of today's society, and in harmony with the highest modern standards, many health and welfare ministries of 'Love and Service' can best be performed corporately through our hospitals and homes as an expression of our love of God and love of our neighbors who need its care. This service is not an option, it is an indispensable requisite." "If the Church does not concern itself with these practical aspects of the Christian gospel, it fails to fulfill the commands of Christ, it impoverishes its own life, becomes ingrown, self-serving, and less than Christian."

The Kentucky Conference is doing some of the work in these fields of service. The Methodist Home of Kentucky is caring for approximately 100 children a year. This institution is jointly operated with the Louisville Conference. The report is printed below showing the work of this Home under the able leadership of Supt. C. A. Sweazy. He and those working with him are to be commended for the devotion and love given to the children.

The Conference is also ministering to the sick and injured through its two Hospitals. The reports of these two institutions were received by this board in its annual meeting, and are printed below. The two administrators, Mr. Eugene Lopez of The Methodist Hospital of Kentucky, and Mr. John C. Pratt of the Good Samaritan Hospital, are to be commended for the splendid work being done with limited income. Our churches in the Kentucky Conference need to be challenged to contribute more to the healing ministry—in other words to be more of a "Good Samaritan" than they have been in the past.

The response to Hospital Rally Day is increasing, and we hope to see it continue. We recommend that Hospital Rally Day again be observed in September of 1963, with an active program of promotion to be carried out in every District.

We are unable to report any progress in the ministry to the aging through the development of a conference home for this group of persons with special needs.

The Board makes the following recommendations:

1. That the offerings in our Sunday Schools on each Fifth Sunday be sent to the Methodist Home.
2. That we set as our goal for the support of our Hospitals an amount equal to \$1.00 per member.
3. For Trustees of The Methodist Home with terms to expire in 1967—Mr. F. W. Rickard, Rev. Warner P. Davis.
4. For Trustees of Good Samaritan Hospital with terms to expire in 1967—Rev. Steadman Bagby, Rev. Earl T. Curry, Mr. Foster Ockerman, Mr. Jack L. Ott.
5. For Trustees of the Methodist Hospital of Kentucky with terms to expire in 1966—Mr. E. F. Harrison, Mr. J. A. McCowan, Mr. E. Bruce Walters, Rev. Harold W. Dorsey (Pastor—Pikeville Methodist Church), Rev. O. M. Simmerman, Sr. (Pastor—Prestonsburg Methodist Church), Rev. E. L. Tullis (Pastor—First Methodist Church, Ashland).

The reports of our administrators are found in sections a, b, and c of this report.

#### Supplemental Report

Substitute the name of Mrs. Franklin Day for Mr. K. J. Day (Deceased) for election to the Board of Trustees of the Methodist Hospital of Kentucky, (Pikeville) with term to expire 1966.

#### a) Good Samaritan Hospital

I greatly appreciate the privilege of presenting the Annual Report of the Good Samaritan Hospital. On April 1 I completed my first year of service as the Administrator of the hospital. It was a busy year and, I believe, one of progress. Information on this progress is included as a part of this report.

During the hospital's fiscal year ending June 30, 1962, the following volume of service was rendered:

Adults and Children Admitted .....	10,407
Babies Born .....	1,302
Patient Days of Care (including Newborn) .....	70,917
Number of Surgical Operations .....	5,440
Number of Emergency Patients .....	19,102

These figures are slightly lower than those for the previous year. However, for the first nine months of the current fiscal year, increases in the amount of service rendered have been made in most areas.

The volume of charity service for which the hospital receives no reimbursement continued at a high level during the year ending June 1962. These losses severely handicap the institution in replacing its obsolete furniture and equipment; in making minor improvements in its physical plant; and in keeping its personnel salaries comparable with those of the other general hospitals of the community. The financial assistance of every Methodist in the Kentucky Conference is needed if the hospital is to continue to be the good samaritan in providing care to the indigent of Central and Eastern Kentucky, and if it is to retain its personnel and continue to improve its physical facilities in order that it may properly serve all of its patients.

Considerable progress occurred in making physical improvements in the hospital during the past year with the funds that could be allocated for such items. Among the changes accomplished were the redecorating and reopening of a 34-bed nursing unit which had been closed for three years; remodeling of the Emergency Department; the development of additional parking facilities; the construction of a large, all-purpose incinerator; and minor renovations in two other nursing units and two of the hospital departments. In addition, several new pieces of equipment, including scientific apparatus, furnishings and office equipment, were purchased to replace or supplement existing items. Though we are pleased with the progress that has been made, we regret that insufficient funds prevented further accomplishments.

The hospital's Board of Trustees, looking toward a fund-raising campaign preparatory to a remodeling and new construction program for the hospital within the next two years, has interviewed several professional fund-raising organizations and selected a nationally recognized firm to work with the hospital in laying a sound base for a fund drive to be conducted in early 1965. At the same time, a Building Study Committee, composed of representatives of the Board of Trustees and the Medical Staff, has been busy studying the physical problems of the hospital and the possible solutions to these problems through a construction program.

Last July the hospital was advised it had been granted full, three-year accreditation by the Joint Commission on Accreditation of Hospitals following a survey in June of the hospital's medical and administrative practices by a representative of the Commission. The Joint Commission is the national accrediting body for all hospitals.

A total of 54 young women were selected from 153 applicants to enter the Freshman Class of our School of Nursing last September. This number brought the total enrollment of the School at that time to 109 students. We are extremely proud of our School as it offers one of the finest three-year courses in nursing in Kentucky. Again, I urge each Methodist pastor and layman to encourage the young women of their church to select nursing as a career.

I am pleased to express the sincere appreciation of all persons associated with the hospital for the funds contributed to our programs last year by the Conference and the churches. For the fiscal year ending June 30, 1962, the monies received were as follows:

Hospital Rally Day .....	\$10,368.49
Golden Cross .....	2,612.25
For the School of Nursing .....	682.00
Toward Chaplain's Salary .....	1,691.69
<hr/>	
Total	\$15,354.43

It is urged that the Hospital Rally Day program be continued and every effort be made to increase the giving in order that the healing ministry of the Church may better meet the needs of its constituency.

The Board of Trustees of Good Samaritan Hospital recommends the following individuals for membership on the hospital's Board with terms to expire in 1967: Steadman T. Bagby, Earl T. Curry, Foster Ockerman and Jack L. Ott.

Respectfully submitted,  
JOHN C. PRATT, Administrator

#### b) The Methodist Hospital of Kentucky

It is my privilege to again bring to you a report of the work of The Methodist Hospital of Kentucky at Pikeville.

My Board of Directors, the Medical Staff and the personnel of the Hospital join me in bringing you greetings.

This accounting of hospital services is for the fiscal year ending September 30th, 1962, and contains nothing spectacular other than to indicate that services which the hospital is providing for Eastern Kentucky are still declining. A comparison for a three-year period is as follows:

	September 1960	September 1961	September 1962
No. Patients Admitted .....	6,119	4,817	4,622
No. Newborn .....	781	715	653
Surgical Procedures .....	1,713	1,469	1,328
Laboratory Tests .....	51,531	59,122	55,918
X-Ray Examinations .....	4,694	3,862	3,668
Blood Transfusions .....	872	750	689

The financial picture of the Hospital is not significantly better, although it is acknowledged that a tighter credit and collection policy is helping.

There is continued deterioration of the Physical Plant. In most instances the cost of upkeep is making use of funds needed for other purposes. These expenditures are unpredictable as to time and amount and are beyond anyone's control. Our per diem costs have again crept upward and it is possible that some of our rates will have to be revised. The Hospital Guild contributed a complete new set of furniture for the Lobby and there was one contribution for \$500.00 from one of the local banks.

There was no increase in the amounts received from Rally Day or Golden Cross contributions. What charity work is presently being done by your Hospital is being done at the expense of the paying patient and the generosity of our creditors who are not pressing for collection of their bills.

In essence, the Hospital's program remains essentially the same as previously reported.

As your administrator I know of no way that we can make our Methodist membership more aware or more responsible for the support of its hospitals. Under present circumstances we are unable to assume the responsibilities which our Church should. As Methodists we need to care more and share more.

I respectfully recommend that the Conference continue its attempts to assess its membership a dollar per year per member for the support of its hospitals. I also respectfully bring to your attention the recommendation of my Board of Directors that the following, whose terms expire in 1963, be re-appointed to the Board of Directors, to-wit: Messrs. K. J. Day, E. F. Harrison, J. A. McCown, E. Bruce Walters, Harold W. Dorsey (Pastor of the Pikeville Methodist Church), O. M. Simmerman, Sr. (Pastor of the Prestonsburg Methodist Church), and E. L. Tullis (Pastor of Ashland's First Methodist Church).

Respectfully submitted,  
EUGENE LOPEZ, Administrator

#### c) The Methodist Home

The Board of Trustees and Superintendent of The Methodist Home of Kentucky wish to make the following report for the conference year 1962-63. Board meetings have been well attended and interest on the part of trustees has been gratifying. Our Board has been confronted with many important decisions, and they were faithful in meeting these problems. The Committees have all worked hard and shown interest in the care of the children and their needs.

The Home has had a full capacity of children and many requests for admission. Several children will be leaving after school which will take care of most of these requests. Again this year we have cared for approximatey 100 children. Two girls, Shirley Clifton and Linda Howard, are graduating from Versailles High School. Plans are not yet completed for their future placement.

Mr. Jack Farmer, Director of Campus Activities, and his wife have been faithful in the care of the children. Flu, measles, and other illnesses have called for a great deal of attention. The Home attempts to fulfill its obligations to each child through an active religious life and a sound program of school work.

The unusually hard, cold winter has called for extra coal and fuel. The buildings, also, have had some weather damage which had to be repaired. We have met all the requirements presented by the State Fire Marshall. This was very expensive but important in the proper care of children. The Department of Child Welfare gave a fine report and renewed our license for another sixteen months. The State Board of Health made its report and was very complimentary about all buildings, food, and sanitation with the exception of our sewage disposal.

For some years we have had complaint about pollution of the stream where our field tile empties. We have spent time and money trying to take care of this through the use of longer and better field tiles; however, this land will not percolate or, in effect, care for the large amount of water used.

The Executive Committee of the Board of Trustees asked the Superintendent to confer with the State Board of Health concerning our disposal problem and they, after consulting the State Engineer, recommended that if at all possible we connect with the Versailles City Sewer. Howard K. Bell, Consulting Engineers, Inc., were engaged to study the plan and make an estimate of the cost. The City of Versailles assured us we could connect to their sewer system, and we hope to get them to extend the sewer nearer to our property. The Superintendent had an appointment with Bishop Walter Gum and presented the preliminary plans and recommendations to him. After Bishop Gum studied the plans he un-hesitantly recommended that, if at all possible, we should follow the recommendations of the State Board of Health. Bishop Gum plans to meet with the Board of Trustees, May 9, at which time further plans will be discussed.

The Fifth Sunday Offerings have again shown a slight increase but are not sufficient to meet the increase in expense and salaries. Our property must be kept in good condition and operational expenses keep rising. Special gifts, un-restricted bequests, and careful management of our farm income have helped to lift the load.

The Board has engaged A. J. Lynn & Company, C.P.A., Louisville, Kentucky to audit our books. When their work is complete we will place a copy of their report in the hands of the conference secretaries, the chairmen of World Service and Finance, and the Hospitals and Homes Boards. Our audit will show our operations in detail for the fiscal year closing April 30, 1963. This report also will be made at the two annual conferences.

Our Boards of Hospitals and Homes of the Louisville and Kentucky Conferences and their chairmen, Mr. Thomas McQuary and Rev. C. L. Cooper, have been faithful and helpful. We recommend the following trustees for re-election, terms to expire in 1967:

Kentucky Conference .....	The Rev. W. P. Davis
	Mr. French Rickard
Louisville Conference .....	Mr. L. B. Hutcherson, Sr.

We further recommend for election to the Board of Trustees, the Rev. Marvin Whitmer, Louisville Conference, term to expire in 1967. We also request that both boards recommend that the Fifth Sunday Offerings from both the Louisville and Kentucky Conferences continue to be designated for The Methodist Home of Kentucky, Versailles.

These many years that we have had the privilege of working with the children of our Methodist Home have seemed short and very precious to us. It has been an honor to be associated with the trustees, the staff members, the various churches and the hundreds of people that are so concerned with the care of dependent children. Mrs. Sweazy and I want to express our gratitude for the kindness and prayers that have meant so very much.

Respectfully submitted,  
C. A. SWEAZY, Superintendent and Treasurer

## REPORT No. 22

## BOARD OF MANAGERS—MINISTERS' RETIREMENT BROTHERHOOD

The Board of Managers of the Ministers' Retirement Brotherhood is able to report a very good year concerning its part of the pension interests of our conference. Our fiscal year does not end until May 1st and for this reason we cannot give a complete pre-conference report. However, the preliminary reports do show that there has been another slight increase in dividends for the year. Also, there has been the continued strengthening of our position in the matter of investments. When the final and audited report is published in our Journal, we trust that our people will carefully study the work that is being done by this body.

We have always been concerned about securing the best possible returns for our Annuitants and our portfolio of holdings is classed among the very best by those who know the Investment Field. Especially do we give credit to our treasurer, F. W. Galloway, for his untiring efforts to see that only the safest and very best holdings are secured.

Further progress has been made in clearing up the matter of back dues and the enrolling of all our men of the Conference in the Brotherhood. The Standing Rule of the conference states that membership in the conference and in the Ministers' Retirement Brotherhood shall be co-extensive. Once again we would urge the men of the Conference to consider their obligation and this requirement of our conference.

Our funds must be increased through the generosity of the people across the conference and we urge the pastors and others to ever be alert toward the securing of Wills and Bequests for the Brotherhood. If aid is desired in the directing of funds to this portion of the Church work, contact our chairman, John L. Tilton, Route 2, 1167 Bellview Road, Burlington, Kentucky. He will be glad to render as much assistance as possible.

The auditor's report of our Treasurer will be filed with the Secretary of the conference when we meet at Richmond. (See Financial Exhibit O).

We ask the prayers of all in this most important phase of our Church and Conference work, that we might be able to follow the example given by our Lord and Saviour, Jesus Christ.

JOHN L. TILTON, Chairman  
WALTER W. GARRIOTT, Secretary

REPORT NO. 23

BOARD OF PENSIONS

Your Board of Pensions submits the following report:

The last session of the Kentucky Conference directed the Board of Pensions to go across the conference with at least one work-shop in each district, devoted to the study of the Hospitalization, Medical Expense Plan of The Methodist Church. Your Board carried out this directive through the month of last November.

This is a Methodist program. The Travelers Insurance Company was chosen as our claim agents. It is not their plan.

Dr. Lyle Weed was secured from the General Board of Pensions as a resource person. He accompanied the Chairman and the Executive Secretary, district by district across the conference. Many of the ministers and laymen attended the work-shops. A special mid-year Board meeting was called to further study this plan. At this meeting the District Superintendents were present. The plan again was presented by a representative of the General Board, followed by a question and answer period.

The Chairman and the Executive Secretary have had a great deal of correspondence with laymen, ministers, district superintendents and the resident Bishop, relative to this plan. Every effort has been made to have both laymen and ministers familiar with our Methodist plan of hospitalization and medical expense. On April 23, your Board met to formulate recommendations for this session of the conference. Here is the resume of the facts and figures of this plan (hereafter known as HMEP):

This plan is the one which has been worked out by the General Board of Pensions.

In order for the plan to become effective 75% of the eligible group must accept it.

The Conference must cooperate by meeting the minimum requirement of one-half the cost to the individual minister.

The cost of the Active Minister is \$5.00 per month.

The cost for all his dependents is \$11.00 per month additional; total of \$16.00.

The minimum requirement for the conference would be \$2.50 per month or \$30.00 per year.

Cost for the retired minister per month .....\$ 7.75

Cost for the wife and dependents per month ..... 8.25

\$16.00

Cost for the widows per month .....\$ 7.75

Cost for additional dependents per month ..... 2.50

\$10.25

The active group coverage is quite unique especially in that it allows coverage for doctor bills, nursing care and prescription drugs while confined at home.

Once a member comes into the group he can stay as long as he wants even though the Conference should drop out of the program.

It follows him wherever he goes and cannot be cancelled.

The member meets the first \$25.00 cost for hospital or surgical expenses.

All dependent children are covered up to age 23, if in school.

1. There can be no change in the program without the consent of the General Board of Pensions.

2. It has the advantage of all-conference purchasing power.

3. Local and personalized claim service and uniformity of benefits.

4. No age exclusion, no physical examination.

5. After payment of \$25.00 the active plan pays all of next \$225—then pays 75% of all additional expenses up to \$5,000.00.

Here is the schedule of expenses required to put HMEP into operation:

	Number		Per Person	Per Month	Per Year
1. Effective Ministers .....	159	@	\$ 2.50	\$ 397.50	\$ 4,770.00
2. Probationers .....	35	@	2.50	87.50	1,050.00
3. Retired Ministers Only .....	73	@	7.75	565.75	6,669.00
4. Retired Ministers and Wives ...	63	@	16.00	1,008.00	12,096.00

5. Retired Ministers (Widowers) .. 10	@	7.75	77.50	930.00
6. Widows Only .....	60	@	7.75	465.00
7. All Retired Ministers and Widows .....				18,606.00
8. TOTAL (including Effective Ministers, Probationers, Retired Ministers and Wives, Widowers, and Widows) .....				\$24,426.00

Your Board makes the following recommendations:

Since the Methodist Church, through its General Board of Pensions, has made available a group HOSPITALIZATION AND MEDICAL EXPENSE PROGRAM for annual conferences (1960 Discipline, Chapter X, Article 1681) and

Whereas, the Board of Pensions of the Kentucky Conference has conducted a thorough study of the HMEP, and

Whereas, it is the judgement of the Board of Pensions that the HMEP Program will best meet the total needs of all Ministers and families of the Kentucky Conference,

Therefore, Be It Resolved, That the Kentucky Conference adopt the HMEP Program as follows:

#### I. ELIGIBILITY

- A. All full members of the Conference under the appointment with annuity claim upon the Conference, and their dependents.
- B. All members on trial (who are serving churches within the Conference) and their dependents.
- C. All Full-time Approved Supplies serving appointments within the Conference and their dependents.
- D. All members who have been granted the retired relation by this Conference and their dependents.
- E. All widows of deceased members of this Conference, and their dependents.
- F. All part-time Supply Pastors and Local Preachers serving churches will be eligible to enroll provided 75% of their respective groups choose so to do.
- G. Deaconesses in full-time employment of the institutions in the conference, providing the institution employing the deaconesses bear their proper care of the program.

#### II. COST

##### A. ACTIVE PROGRAM

1. One half of the individual member cost.
2. The individual minister to pay the cost of his dependents.

#### III. IMPLEMENTATION

1. The church of each active man electing coverage will be required to pay \$2.50 per month as the church's share and the man will pay the balance of the \$13.50 family group financial requirement. The Conference will apportion (on the World Service Formula basis) the sum of \$13,000 for this year covering cost of all widows and all retired men.
2. That the Conference authorize the Board of Pensions to start immediately to enroll the men for the plan.
3. That the Conference direct the Board to perfect such plans as necessary to put the HMEP into operation.

#### Ministers' Reserve Pension Fund

Your Board of Pensions is moving toward the goal of having our entire conference brought into the Ministers' Reserve Pension Fund at the earliest possible date—1968.

If this goal is reached, additional funds must be secured. Therefore, your Board is stepping up an intensified program of soliciting special gifts, memorials, wills, bequests and annuity gifts.

#### THEREFORE, YOUR BOARD RECOMMENDS:

That the Conference authorize an Annuity Gift Plan according to the following schedules which have been accepted by the General Commission on World Service and Finance as sound investments:

Rates of the Annuity Gift income per calendar year on each \$1,000.00					
Age	60	65	70	75	80
Rate	4.5%	5%	5.5%	6.3%	7.4%
	\$45	\$50	\$55	\$63	\$74

Paragraph 1645.10 of the 1960 DISCIPLINE states that "When a member of a conference who is also a member of the Fund (Ministers' Reserve Pension) is under special appointment without annuity claim upon such conference, the organization he is serving shall contribute annually to the Fund the equivalent of the current contribution made on behalf of each qualified member of the Fund in good standing. Failure to make such contribution in any conference year shall deprive the appointee concerned of service annuity credit for that conference year."

This means that although a minister is without annuity on the conference, the organization which he serves is expected to contribute to the Fund according to the provision of the Fund, in order to provide for his annuity. Moreover, if the organization is not contributing, it is his privilege and right to request such participation and to communicate directly with the General Board of Pensions. It should be understood that if the organization he serves has the Pension Program which provides for the minister then there is no need for his requesting participation in the Fund.

It is suggested that interested ministers communicate directly with the General Board of Pensions, 1200 Davis Street, Evanston, Illinois, in regard to the above statement.

### Recommendations

Your Board makes the following recommendations:

1. That the assessment of 2% on the basic salaries of all effective conference members with appointment and full-time approved supply pastors serving appointments with annuity claims, be continued through the conference year 1963-1964. The income will be distributed to retired personnel. Those in arrears will be charged 4% interest. Special appointments with record of annuity responsibility elsewhere are exempted.

2. That the ministers pay the 2% assessment on salaries quarterly. Send the money to Rev. I. S. Pineur, 1456 Cypress Street, Paris, Kentucky.

3. That the annuity rate for 1963-1964 be \$42.00, provided that the assessment of 2% on salaries be continued. If the assessment is not continued, your Board recommends that the annuity rate be \$40.00.

4. That the minimum basic salary for Full-time Supply Pastors be \$2,000.00.

5. That the Bishop designated a "Ministers Day," according to Discipline 1610: 6, and ask every Church to observe this day with proper recognition. That such a day be Sunday, November 10. Your Board of Pensions will suggest and provide materials for the day, if desired. Your Board suggests that each church receive an offering to defray expense of materials—any money received over and above the expenses will be placed in the Stabilization Fund.

6. That the ministers carefully observe the Disciplinary requirements of pro-rating all salary payments so that the Conference Claimants receive the full 18%. See Discipline 1622: 3.

7. That the Bishop and Cabinet set dates when the Board Chairman and the Executive Secretary, accompanied by members from the General Board can go across the Conference, district by district, for workshop studies on the Retired Ministers Reserve Fund (MRPF).

8. That all Special Appointments with annuity claims be required to pay annually eight times the annuity.

9. That all Special Appointments who fail, or heretofore have failed to pay, the assessment on their professional income, shall be listed in the Journal as "Appointment without Annuity," retroactive to the Conference year, 1950-1951.

10. That the following be listed in the Journal, without annuity for the Conference year 1962-1963: Joseph Brookshire, Benis Carnes, W. B. Conn, Charles Dean, Harold Daniels, Carl Froderman, James Gibson, John O. Gross, L. C. Johnson, C. Richard Kuhn, Roger Kusche, John Landrum, Edwin W. Moran, Ford Philpot, James W. Rose, Admiral Dewey Sanders, Jr., Maurice Stevens, H. Gilbert Williams, R. K. Wilson.

11. We recommend the following institutions to be recognized for annuity: Lindsey-Wilson College, Union College, Kentucky Wesleyan College, Sue Bennett College, Methodist Hospital of Kentucky, Good Samaritan Hospital, The Methodist Home, Wesley Foundations at Morehead State College, Berea College, Eastern State College, and University of Kentucky, Asbury College, Western (under Wesley Foundation), and the Conference Board of Education.

The report of the Treasurer is filed with the Conference Secretary to be included in the Journal. (See Financial Exhibit P).

## COMMITTEE ON KENTUCKY COUNCIL OF CHURCHES

Methodism is true to its heritage and history only as it recognizes and implements the conviction that the church is one in Christ, and that the practice of unity is neither elective nor luxury, but precisely a necessity. Thus The Methodist Church participates in the World and National Councils of Churches.

In the Kentucky Conference our ecumenical interest takes form in the program of the Kentucky Council of Churches. In this organization eighteen denominational groups unite their efforts in such fields as:

1. Work with institutions and chaplains.
2. Broadcasting and television.
3. Social action and world order.
4. Church extension and adjustment.
5. Christian education.

In addition to the annual Ministers' Conference the Council sponsored a one day Conference in western Kentucky, and also plans a similar regional Conference in eastern Kentucky next autumn.

Ministers and laymen of the Kentucky Conference provide a fair share of leadership in the various offices of the Council. However, we need to become more Council-conscious at the local church level, and also to consider, along with our sister communions, sufficient increase in appropriations to provide for the underwriting of the budget by the constituent members.

W. H. POORE, Secretary

## COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work has had a very fine year in their work. We had three delegates to the Rural Life Conference held at Hayesville, North Carolina. We are having the recognition program again this year when three pastors from each of the seven districts will be recognized along with their churches for doing outstanding work. Also, from this group will be named "The Rural Man of the Year."

We have registered 21 delegates to the National Town and Country Conference to be held in Minneapolis, Minnesota, July 9-12. This is a good representation from our conference. The delegation will be led by the chairman, Rev. Valis V. Hill. We are looking forward to receiving new information and inspiration from this conference which will enable us to serve more effectively in the town and country churches of the Kentucky Conference.

### REPORT NO. 28

#### BOARD OF TRUSTEES

The Conference Board of Trustees submits the following report:

The Deed of Conveyance was made and entered into August 20, 1962 by the Conference Board of Trustees to Walter Vernon and Marcella Stevens, Ashland, Boyd County, the lot located mid-way between blocks 9 and 10 in Patton's subdivision of the Scott tract on Flat Woods Road.

The Spears Church, Lexington District, ceased to be used as a church and reverted to the heirs as the deed specified.

By order of The Kentucky Annual Conference in session at Eastern State College, Richmond, Kentucky, in June 1962, the Conference Board of Trustees mortgaged the Camp property in Estill County, Kentucky (land and improvements) for \$100,000 that the Campsite improvement might continue. This paper was signed in February, 1963.

#### Spears Chapel Property

The Board of Trustees of the Kentucky Annual Conference considered the letter from Foster Ockerman, legal advisor, in regard to the Spears Chapel Methodist Church in Fayette County, which "Property was conveyed to The Methodist Church so long as it was used as a place of worship." This property ceased to be used as a place of worship, according to the Journal of 1934. In order that the legal advisor, Mr. Ockerman, may file an answer on behalf of the Conference in the pending action, the Board of Trustees recommends that authority be granted our legal advisor to execute the necessary action, that Spears Chapel be discontinued as a place of worship, and this property be reverted to the heirs.

The following officers were elected for the ensuing year: O. M. Simmerman, Sr., Chairman; Paul C. Gillespie, Vice Chairman; S. W. Funk, Secretary; Foster Ockerman, Legal Advisor; and Evan Harrod, Assistant Legal Advisor.

#### New Castle Parsonage

Your Trustees met June 6 to consider an appeal coming from the New Castle Methodist Church, Frankfort District, in regard to settlement of the equity in the New Castle Parsonage.

On November 3, 1917 the three churches: New Castle, Mt. Gilead, and Smithfield purchased a parsonage located in New Castle which was conveyed to M. J. Jones, John Bruce, and G. T. Watkins, trustees, for the sum of \$4,500, of which \$3,300 was paid in cash, and \$1,200 was borrowed from the New Castle Bank, which lien was released April 3, 1920, when a strip of land was sold from the parsonage site.

In 1934 Mt. Gilead was separated from the New Castle charge, shown in the Conference Journal. No record has been found as to the amount of money invested by any of the three churches.

A special committee was named by Dr. E. M. Fossett, District Superintendent, to make a study of the amount of interest the Mt. Gilead Church has in the property. The Board of Trustees, taking as a lead, the plan used by the special Committee, but differing in the estimated value of the parsonage in 1934, which according to the Conference Journal was \$6,000. We considered, instead of the purchased price of \$4,500, figuring on the basis of 13%—based comparatively on the membership and the amount of money paid on salary in 1934 by each of the three churches, which amounts to \$585, which we, estimate as a possible equity Mt. Gilead might have in the parsonage.

S. W. FUNK, Secretary

## REPORT NO. 29

### COMMISSION ON WORLD SERVICE AND FINANCE

Section 1. The asking of the General Board was \$108,375 on World Service.

Section 2. We recommend that the Annual Conference require each Board, Commission, Committee and Agency to send to the Conference Commission on World Service and Finance an itemized report of their expenditures for the current year with their request for funds for the coming year, at least 45 days before the Annual Conference convenes. Failure to comply will result in their request for funds not being recommended as the *Discipline* directs.

Section 3. We recommend that the Annual Conference encourage churches having a change of pastors to pay the moving expenses of the incoming pastor, and that the moving expenses of incoming District Superintendents be paid out of the District Superintendents' Fund.

Section 4. We recommend that the Conference require each District Superintendent to file an itemized list of his expenditures of the District Promotional Fund with the Commission on World Service and Finance at least 30 days before the Annual Conference convenes. This and the District Superintendents' Expense Fund shall be printed in the Conference Journal.

Section 5. We recommend that the Annual Conference approve the offering for Higher Education of \$1.50 per member.

Section 6. In view of the urgent need of the two Conference hospitals for much more help in their charity work, we make the following recommendations:

A—That the Conference Board of Hospitals and Homes be instructed and empowered to promote the observance of Hospital Day at such time as the Board deems best; and

B—That all our churches be encouraged to be just as generous as possible on behalf of the healing ministry.

Section 7. We recommend that the fifth (5th) Sunday offering of the Sunday School be designated for the Methodist Home at Versailles.

Section 8. The Commission on World Service and Finance endorses the request of TRAFCO for 10¢ per member for the TV Ministry Fund.

Section 9. Again we cite paragraph 810, page 252, of the 1960 edition of the *Discipline* of The Methodist Church which states, "No Annual Conference board or interest, such as a school, college, university, or hospital, shall make a special conference-wide appeal to the local churches for funds without the approval of the Annual Conference, except in extreme emergency, when such approval may be given by a two-thirds vote of the District Superintendents and the Commission acting jointly.

It is the duty and responsibility of your Commission on World Service and Finance to make a diligent effort to secure full information regarding all conference benevolences and service causes, that none may be neglected, jeopardized, or excluded. We feel that there have been cases in which unauthorized appeals have been made to the detriment of our approved conference programs. We believe that in some cases there is a misunderstanding as to the meaning of the term "Conference-wide" and henceforth we shall define it as being any area beyond that over which the individual, board or agency has direct control or supervision, such as pastors soliciting persons other than his own congregation or agency, ministers or laymen making unauthorized appeals.

### REPORT No. 30

#### AREA PUBLIC RELATIONS COMMISSION

Many activities have been carried on within the framework of Public Relations with no possible way of measuring the good accomplished. The main work of the office is to create more understanding and build goodwill for The Methodist Church, and one way of doing this is sending news about the Church to the newspapers, radio and television stations in Kentucky telling what Methodists are doing. What the church does, largely determines whether it will have good or bad public relations.

During the year (June 1 to April 15) more than 1,000 news releases have been sent from the office to the 176 newspapers and 82 radio and television stations of Kentucky. News of less than conference-wide interest went to county and regional papers.

On-the-spot coverage included: both annual conferences, Evangelistic Retreat, WSCS conference meetings, Pastor's School, Missions and Peace Conference, Bishops Conference on the Ministry, Race Relations Workshop, KMSM conferences, ground-breaking for the Aldersgate Methodist Camp, Layman's Retreat, District Conferences, Wesley House 60th Anniversary and Wesley Manor open house.

On a Jurisdiction or General Conference level, the director attended the South-eastern Jurisdiction Convocation in Memphis; the All-Staff Conference of Methodist Information in Evanston, Illinois, and at the invitation of TOGETHER magazine spent two days at headquarters in Park Ridge, observing the processing of the Louisville Area supplement to TOGETHER. Numerous local church functions, such as ground-breakings, open houses, anniversaries, etc., were attended throughout the year.

The office edited the Louisville Area supplement, now known as TANE (TOGETHER Areas News Edition) which goes each month to 10,000 Methodist families in Kentucky.

After several years of study, an area paper has been realized. January 1st, the Public Relations office began the publication of a monthly newspaper for the ministers of the two conferences, which contains mainly "shop talk" with announcements, information, and news. This publication, The Louisville Area Methodist, is printed on an offset press recently purchased by the Public Relations Office in connection with the Louisville Conference Board of Education. It is hoped that the paper will prove to be a help to the ministers of the area.

The director has spoken to several groups and counseled many persons on improving skills in Public Relations.

An effort has been made to obtain a representative pictorial record of area activities through use of the office camera.

A part-time secretary was secured this year and with the additional duties of the office in the new publication, the need is urgent for a full-time secretary.

The report of the Treasurer will be filed with the Conference Secretary to be included in the Journal. (See Financial Exhibit J).

#### COMMITTEE ON ENTERTAINMENT

The Committee on Entertainment of the Kentucky Annual Conference desires to express the profound appreciation of the entire conference to the administration and personnel of Eastern State College and also the membership of First Methodist Church, Richmond, and to all the people of this community who have worked so unitedly to make us comfortable during the days of our session.

The invitations for the 1964 session are as follows:

1. Union College extends an invitation for the period of June 2-6;
2. Morehead State College indicates that the period from May 31 to June 14 would be acceptable;
3. Eastern State College invites us during the period of June 7-14.

Realizing that the centrality of our meeting plays a very important role in the attendance of the laity of our conference, we, the members of this Committee, herein recommends that the 1964 session of the Kentucky Annual Conference be convened at Eastern State College, Richmond, Kentucky.

### REPORT NO. 32

#### COMMITTEE ON RESOLUTIONS

*Whereas*, The 143rd session of the Kentucky Annual Conference assembled in Richmond, Kentucky, has been informative, inspirational, industrious, appreciative of its honored past, and responsive to today's challenge for the future,

*And Whereas*, our accommodations, so graciously provided, have been conducive to maximum dispatch of the business, comfort, and entertainment of the delegates and friends here assembled,

*And Whereas*, our resource persons have been effective in providing our Boards, Commissions, and Committees with the experience, documentation, wisdom, and inspiration necessary to discharge the responsibilities of the Conference,

*And Whereas*, the leadership of our Annual Conference has given of itself unstintingly to a pressing schedule of time, accommodated itself cooperatively to expedient shifts in program, and pressed on to achievement in the light of the demands of its vision, resourcefulness, and foresight,

*Then, Therefore, Be It Resolved*, That we extend our heartfelt appreciation to countless unnamed staff and administration members of Eastern Kentucky State College in general; and to its energetic and graciously persistent president, Dr. Robert R. Martin, in particular; and to the community of Richmond, Kentucky, for the hundreds of little but significant courtesies of the week that make Conference an enjoyable and memorable experience—

That we hereby register our thanksgiving for the able and ample grace accorded us by First Methodist Church, Richmond, Kentucky, and the hours, days, and months of detail arrangements and preparations which it invested in our week's work; and the extension to us of one of its finest facilities, its able and scholarly pastor, Dr. William H. Poore—

*Be It Further Resolved*, That we hereby convey to Bishop W. Vernon Middleton of the Western Pennsylvania Area, our earnest and deep appreciation for his brotherly exhortation and inspiration—

That we commend the foresight of our connectional system which affords us the excellence of dedicated brothers such as Dr. Lyle Weed, Dr. Trigg James, our very own Dr. John Owen Gross, Chaplain L. H. Mayfield, Dr. Richard Edgar, Dr. James L. Robertson, Dr. J. Manning Potts, Dr. Edward Terry,—and our personal thanks to Miss Betty Ruth Good for the attractive appeal which she always brings to the work of the Church through Deaconess work—

That we further commend the public press for its continuing service in communicating both our ideals of Christian service and the practical application of our faith to make a better world out of better persons and programs—

That we further make mention of the effectiveness of the displays of our various interests and services, from the front lobby of the auditorium to the Cokesbury display,—

That we make known our appreciation of the time and efforts of our song leader and organist, and for the special music brought to us by Mr. David E. Edwards and the Centenary Lexington Chancel Choir;—

*Be It Therefore Further Resolved*, that we expressly spell our genuine appreciation for a bishop who is alert and conscientious as he handles the gavel, and who is thoroughly a friend and brother when away from the gavel, who can share in a forceful way his philosophy and dedication in a world parish, as well as show his spiritual concern for the circuit parsonage and its parsonage family;—

*And That*, even as we signal our sincere regard for our Bishop Walter C. Gum and his devoted and faithful wife, that we in the same phrase extend to him our rededicated minds and hearts, our reconsecrated time and talents, that together with him we may “press on toward the mark of the high calling of Christ Jesus.”

Respectfully submitted,

J. HAYDEN IGLEHEART

#### THE MINISTERIAL EDUCATION FUND COMMITTEE

The Committee on Ministerial Education Funds has loaned \$2,500.00 to six students during the past conference year. Five of these were in seminary and one was an undergraduate. We look forward to much more activity in this fund during the next conference year as the fund becomes better known to our theological students.

All applications for loan-grants for the next year may be secured from Donald J. Welch, Berea, Kentucky, and should be submitted to him by August 1, 1963, so that they may be processed before the beginning of the fall term.

Our purpose is to provide enough funds so that no promising, qualified candidate for the ministry from our conference will be denied a good theological education due to a lack of financial means.

For this purpose and for the purpose of strengthening our seminaries in the South-eastern Jurisdiction, we urge the continued support of the 1% plan.

DONALD J. WELCH, Chairman

T. O. HARRISON, Secretary

## **D. STATISTICAL TABLES**

The figures in Column 1 of Table I of each of the reports have been changed to agree with the figures in column 9 of last year's report. Pastors should check this to make sure their records correspond. If you drop any members from your record, you must show in your pastor's report to the Annual Conference how you did it. ## MEMOIRS

## ORO CREOL SEEVERS, SR.

Oro Creol Seevers, Sr., was born January 2, 1886, in Marietta, Ohio. He attended college in Upland, Indiana, and Oscaloosa, Iowa. He graduated from Meridian College, Meridian, Mississippi.

Brother Seevers joined the Florida Conference in 1912. While a member of that conference he served churches at Homestead, Silver Palm and West Palm Beach. He transferred to the Mississippi Conference in 1919 where he served for one year before transferring to the Kentucky Conference in 1920.

His itinerancy in the Kentucky Conference was as follows: McRoberts 1920; Maysville 1921; Corbin 1923; Wilmore 1925; Lexington Epworth 1929; Morehead 1932; Irvine 1933; Richmond 1937; Carlisle 1941; Middlesboro 1943; Louisa 1944; Dayton 1946; Junction City 1947. He then retired from the active ministry in 1949.

Brother Seevers had many talents that complemented his ministry. No one can remember him without recalling the outstanding quality of his voice. He not only had the ability to forcefully present the gospel of Christ by the spoken word but he also was able to present the gospel in song in a most inspiring manner. Whether preaching or singing he blessed the hearts of people wherever he went.

He lived under the exhortation of Paul to Timothy who said, "Watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of your ministry." He was a watchful minister and faithfully carried on the work of an evangelist.

He married Rosa Davie McNeill of Shiloh, Alabama. She preceded him in death in 1949. He departed this life on July 7, 1962 at East Liverpool, Ohio. Funeral Services were conducted by Dr. Homer L. Moore and Dr. A. W. Sweazy at Epworth Church, Lexington, Kentucky. Burial was in the Lexington cemetery on West Main.

He is survived by three sons: Robert Seevers, Ossining, New York; G. W. Seevers, Tampa, Florida; and O. C. Seevers, Jr., Danville, Kentucky; two sisters Mrs. Minnie S. Highfield, Apollo, Pennsylvania; and Mrs. Oscar Ring, East Liverpool, Ohio.

ALBERT W. SWEAZY

## REV. E. L. GRIFFY

Rev. E. L. Griffy was born in Anderson County, Kentucky, March 22, 1869. He attended Asbury College under the administration of Dr. John Wesley Hughes. He entered the ministry of the Kentucky Conference of the M. E. Church, South in 1902 ON TRIAL. He was admitted into full connection in 1904, ordained Deacon in 1904, an Elder in 1906. He served as an effective minister for thirty-nine years and was retired in 1941.

He was converted under the ministry of Rev. B. E. McClure, while Brother McClure was serving the Lawrenceburg Circuit. Later Dr. M. P. McClure his son was converted in a meeting at Brooksville, Kentucky, when a boy of twelve under the ministry of Brother Griffy. In speaking of his early ministry in a letter to the writer he writes "Those were happy days driving Circuits. I was sent to Hazard in 1917." He also states "When I left the mountains at Irvine in 1928 my name was on the Corner Stone of three Churches." These were Hazard, Jackson and Irvine.

He served the following charges: Prestonsville, Augusta and Dover, Foster Circuit including Pine Grove, California Circuit, Christiansburg Circuit, Chaplin and Mt. Zion, Benson and Curry, Hazard, Jackson, Irvine, Maysville First, London, Falmouth, LaGrange.

Brother Griffy proudly wore the title "A Methodist Preacher" for sixty years: thirty-nine years in the Active Ministry and twenty-one years in Retirement. One word could be used to describe his ministry—evangelistic. He was a very effective evangelistic preacher. He held many revivals in our conference. He and Brother E. K. Pike were associated together in many revivals for many years.

He would have been glad to have served under John Wesley or Francis Asbury. He believed firmly that a Methodist preacher was called to preach the ever-lasting gospel of Jesus Christ. He had experienced its power in his own soul. He was ready to preach, pray, to testify at any time. In the letter referred to above he states "I am all on the Altar and under the Blood; great to be ready at 92." Brother Griffy believed in The Methodist Church, its doctrines and polity. He believed in what we call the Methodist System of appointments and administrations. He believed that The Methodist Church

was God's instrument for the spreading of Scriptural Holiness through these lands. He was particularly concerned about his younger brethren, anxious that they should hold the torch high that he and others had so long held. He was a blessing to all in the days of his retirement whether in Falmouth, Kentucky, Alabama or Florida.

Death when it came to him on December 11, 1962 came not as a Stranger but as a Friend. It was simply the releasing of the immortal spirit from the decaying temple of clay and moving over the threshold to the Father's House there to meet his Risen Lord whom he had served so well, his companion who had preceded him and all of his friends and fellow laborers who had gone before.

Funeral Services were conducted in the Falmouth Methodist Church December 14, 1962. The Rev. William Ray Jennings was in charge of the services. The Rev. Russell R. Patton, District Superintendent of the Ashland District brought the message entitled "Brother E. L. Griffy a Methodist Preacher." Rev. John W. Worthington, District Superintendent of the Covington District, assisted.

RUSSELL R. PATTON

#### WILFORD SMITH MITCHELL

In the early morning hours of February 20, 1963, before the light of dawn stole across the banks of the "Beautiful Ohio," Wilford Smith Mitchell closed his eyes to the life in this present world, and awoke to the dawn of a New Day in the Eternities, and found himself to be at Home with his God whom he had served during the 70 years of his sojourn here.

He was a patient in Booth Hospital, Covington, where following surgery he had waged a losing battle of several weeks, for recovery.

He was born in Boone County, Kentucky, January 14, 1893, near the present site of Camp Ernst, his parents moving to a farm near Florence while he was quite young. Here he attended school, graduating from Erlanger High School in 1914. He attended Asbury College, Wilmore.

From boyhood days he was a pleasing combination of appreciation of humor and the serious things of life, with a hearty laugh one moment and a sober word or thought the next.

He was admitted into the Kentucky Conference at Somerset in 1921 and appointed Junior Preacher at Petersburg, but shortly after Conference he was assigned to Mt. Pleasant and Waggoner's Chapel in Harrison Co.

He served at Mt. Carmel in Fleming Co., California, Mt. Zion in Clark Co., Simpsonville, Campbellsburg, Alexandria, and Epworth and St. Luke in Covington.

During his pastorate at Epworth, Covington, the present building was erected, and here, his funeral was conducted by Dr. John W. Worthington, assisted by Hugh Delaney, Cecil Tanner, Stanley Gwinn and Ernest Throckmorton, in the presence of some 20 ministers and a host of friends, many of whom had been his parishioners. He was buried at Hopeful, near Florence.

He retired in 1962 with 41 years of service, 31 years of which were in the two Northern Kentucky Counties, Campbell and Kenton. Here he perhaps had more friends and acquaintances than any other Methodist Minister ever acquired.

He was married to Christine Renaker, a descendant of the historic Harrison County Methodist family, on May 20, 1922. They were blessed with four children, John W., Berea, Ohio, Jean at home, Mrs. Gilbert Hallman, Lookout Heights and Mrs. Wm. Donnelly, Covington. His wife, four children, seven grandchildren and one brother, Russell, Boone Co., survive.

A faithful pastor, a kind and affectionate father and husband and a beloved friend has gone from our midst, but will live in our memories forever, and we picture him with the Master just inside the "Eastern Gate" awaiting the coming of friends and loved ones.

It was the privilege of the writer of this article to know him in boyhood days, as we walked the dusty road to school and other associations, and we wish to express our personal appreciation of a life such as his that made lasting impressions upon us, as they have upon many others who shall no doubt, rise up to call him blessed in the "Land that is fairer than day."

## HENRY G. MURRELL

Rev. Henry G. Murrell, a retired minister of the Kentucky Conference of The Methodist Church, was born April 23, 1880 in London, England.

At the age of 25 he came to Canada. After being converted in a Methodist revival he answered the call of God to enter the ministry. After serving the Church for a few years in Canada he came to the United States.

Following his graduation in 1909 from Moody Bible Institute the Lord led him to Kentucky. Here he found his way to Berea College where he completed his studies of four years. He served some student charges and for a time was assistant pastor of the Berea College Community Church during his student days.

He joined the Kentucky Conference of the Methodist Episcopal Church in 1917, was ordained a deacon in 1919, and an elder in 1921. He began his regular ministry in Bowling Green in 1917. For a period he served with the Home Board of Missions in Johnson and Pike counties. Among other appointments were the following: Wallingford, 2 years; Bowling Green-Deer Creek Church, Louisville, 5 years; Augusta, 4 years; Olive Hill, 15 years; Seddon, Maysville, 2 years; and Campton, 5 years. He gave these last five years at Campton after the law of the age limit forced him to retire in 1952. After 40 years of ministry in the Kentucky Conference he and Mrs. Murrell retired to Lakeland, Florida, where they continued together serving as supply at the Coleman Methodist Church for another year.

In 1930 he was married to Amy Buddle formerly of London and more recently of Minneapolis. Together they made good partners in the ministry and always had a lovely Christian home in every parsonage where they served.

Brother Murrell was a good evangelistic preacher always winning many converts and members for the Church. He gave a real gospel message condemning sin, believing in a "born again" experience and in the baptism of the Holy Spirit to cleanse the soul and prepare the life for good Christian service. His greatest work was the enlistment of young men for the ministry. He had seven young men in the active ministry who were converted in his meetings and whom he helped to enter college for training. Besides these he also had three active in missionary work on foreign fields—one in Haiti, one in Uruguay and one in Angola, Africa.

During retirement he was active in the First Methodist Church of Lakeland serving always in whatever capacity he was needed.

About three years ago he took sick and while his spirit and zeal for the Lord's work never ceased, his body gradually became weaker and more frail. He realized that the end was near and he was very happy in the joyful prospects he had of a better world. The day the Lord sent His chariot for him, April 11, 1963, was a very happy day for him and it can be truly said of him, "He fell asleep in Jesus." And he was another Methodist of the Church of whom was said many years ago "Our people die well."

The funeral service was held at the chapel of First Methodist Church, Lakeland, Florida, Saturday April 13, at 1:31 p.m. Dr. G. M. Cotton officiating was assisted by Bishop Albert F. Wesley, a retired Bishop of Argentina, South America. The members of the Retired Methodist Ministers Club sang "Abide With Me." Burial was at the beautiful Memorial Gardens in Lakeland.

My brother Friend, farewell to thee,  
Your race is run, from life set free;  
You go to live in Heaven's towers,  
And now you sleep beneath the flowers.  
A man of God! You live for Him,  
And well you worked to save from sin,  
This wicked world,—from satan's powers,  
But now you sleep beneath the flowers.  
You live for Him! You walked with men,  
Revealed His love, to all His friends;  
Served many years, through sun and showers,  
But now you sleep beneath the flowers.  
"Well done" you heard the Saviour say,  
"Come live with Me" this glorious day;  
"In mansions fair, midst lovely bowers."  
For now you sleep beneath the flowers.

REV. C. E. CISSNA

**ALGIN DERRICKSON**

Algin Derrickson was born in Powell County near Stanton May 2, 1886. His father was William Derrickson and his mother Mary Elizabeth Hoskins Derrickson.

He moved to Breathitt County in 1907 where he spent the remainder of his life. He married Pearl Sweeney June 27, 1917 and to this union were born eleven children, ten of them still living. Rev. Derrickson did not have the opportunity of getting much education but was blessed with a lot of natural ability and good sense. He knew the value of education and was able to educate all ten children.

He was called to preach about 1919 and helped organize a Sunday School in his home community. He took an active part in the life of the community and was greatly used by God in leading a great number of people to Christ. He was admitted on trial in 1930 and ordained an elder in 1933 in the Kentucky Conference of the Methodist Protestant Church. He served as pastor at Sanfield, Antioch, and Meadowbranch.

Rev. Derrickson never received much salary for preaching. He made a living farming, running a small store, and sawmilling. He had been sick and unable to do much work for a number of years. He was confined to his bed much of the time for a couple of years before his death April 25, 1963. His funeral was held in the Methodist Church in Jackson. Rev. Robert Yates and Rev. John H. Lewis officiated at the service. He was taken to Stanton for burial.

JOHN H. LEWIS

**MRS. GEORGE D. PRENTISS**

Mrs. Dora Swango Prentiss, beloved widow of Rev. George D. Prentiss was born in Wolfe County, Ky., Feb. 3, 1889. Some years later the family moved to Mt. Sterling, Ky., where they were living when she was married to Rev. Prentiss on August 25, 1908.

She served faithfully in the various charges to which her husband was assigned until he retired, and they established their home in Ft. Meyers, Fla. She continued to live there for some time after Brother Prentiss' death, but finally sold this residence and returned to Kentucky. After a few months she became a resident of the Methodist Home on College Hill in Cincinnati, Ohio. She passed to her heavenly reward in that home August 22, 1962. The funeral service was conducted in Frankfort, Ky., by Rev. James Shepherd, and she was laid to rest in the Frankfort Cemetery beside her companion in life.

During her life she was an avid reader and was always searching for books and magazines from which she gained recreation, information, and inspiration. She spent some of her time raising flowers, for she was a great lover of them, and saw in them the beauty of God's handiwork. She was also one who liked antiques, and collected some during her life time.

She always worked beside her husband in the churches he served, and in the other appointments he held. She was active in the work of the Woman's Society of Christian Service, and was a teacher in the Sunday School. In this way she touched the lives of many persons during her years as a wife of a Methodist Minister. She was always gracious to those who called at the Parsonage, and to those who came to see her husband while he served as District Superintendent. Her memory will be cherished by many during the years to come.

C. L. COOPER

**MRS. W. T. WILLIAMS**

I am sorry we could find no information on Mrs. W. T. Williams except that she passed away on August 25, 1962. Her only daughter of California stated that she had requested no memoir be written. She mentioned only that Mrs. Williams was born in Wales but spent most of her life here in America.

LESLIE M. ROGERS, Secretary

**MRS. FELIX K. STRUVE**

Mrs. Ora Lowe Struve was born on June 16, 1887 at Williamstown, Ky. She was the daughter of Alvin and Lillie Zinn Lowe who preceded her in death.

In 1925 she married Rev. Felix K. Struve, then the pastor of the Williamstown Methodist Church, and was his help mate during the remainder of his ministry. After the retirement of Rev. Struve they returned to Williamstown, where they lived until his death on January 18, 1944.

About the time of Rev. Struve's death she was stricken with glaucoma, but in spite of her affliction and approaching darkness she was the same cheerful and vital person she had always been, interested in the church and the many friends she had made as a minister's wife. She carried her handicap so casually that one found it difficult to realize its seriousness.

Mrs. Struve was president of the Woman's Society of Christian Service of the Williamstown Methodist Church at the time of her death, a position she had held for almost ten years. She was a charter member of the Williamstown Woman's Club, and had served as a president. She was a member of the Eastern Star and of the Daughters of the American Revolution.

Mrs. Struve loved life, her many friends and their families, and her church to an unusual degree. Her sympathies and her interest were broad, and her passing leaves a deep sense of loss to many.

She suffered a heart attack on Nov. 8, 1962, and died in Booth Memorial Hospital of Covington, Ky., on Nov. 22, 1962. Services were conducted by her pastor, Rev. Charles Hogg, and she was laid to rest in the cemetery at Williamstown.

She is survived by a brother, James T. Lowe of Columbus, Ohio, and a nephew, Dr. Marshall Lowe of Cleveland, Ohio.

CHARLES B. HOGG

#### MRS. O. B. CROCKETT

Mrs. Kate Campbell Crockett was born in Garrard County, Kentucky, on April 2, 1887. She died on March 9, 1963, at the Good Samaritan Hospital in Lexington, after having suffered a stroke in her home on March 6th. Services were conducted at the W. R. Milward Mortuary in Lexington by Dr. C. Nevil White, Dr. Roy Kleiser, Dr. William H. Poore, Dr. Frank C. King, and Dr. E. M. Fossett. Dr. Kleiser, a long time friend, delivered the message in recognition of her life of service to her home, her church, her schools, and her communities.

She was united in marriage to Rev. O. B. Crockett on November 12, 1913. To this union there were born two children: Dr. Campbell Crockett of Cincinnati, Ohio, and Mrs. Irvin Sampson of Bluefield, W. Va., these along with her husband survive.

Mrs. Crockett was ever faithful to the duties and opportunities of the Methodist ministry. She accepted every appointment in gracious manner. Across the years her life has touched the lives of many young people. At one time she taught a Sunday School Class of 100 college girls. She served as a Youth Counselor and the leader of Youth in the Conference. She was a very successful teacher in the Church Schools in the Churches where she and her husband served.

Mrs. Crockett was an inspiration to the women of the church. She was active in the Missionary Society, and in the Woman's Society of Christian Service. In her later years, as a member of Park Church, she was active until her death.

She loved people. One of her choice pleasures was to entertain guests in her home. She was always a gracious hostess, entertaining bishops and pastors of the smallest churches with equal ease and enjoyment. A letter from Bishop Paul Garber to Dr. Crockett summarizes the feeling of one who knew her,

"I wish to join with your many, many friends in sending my love and sympathy in your hour of sorrow. I know of the Christian love which permeated your home and of the affection which you had for Mrs. Crockett. You and Mrs. Crockett were a blessing to thousands of people."

One of the members of Park Church put it succinctly when she said, "Kate was a lady." I would add one or two words—She was a gracious Christian lady.

## VIII. ROLL OF THE HONORED DEAD

By vote of the 1957 Conference the Secretary was authorized to place in the journal each year a "Roll of the Honored Dead." We have combined the lists of the South and the Methodist Protestant Church. Of course, all of the information will never be deceased found in the Methodist Episcopal Church, the Methodist Episcopal Church, found on all of these men but we hope before the next journal appears to complete as much more as is available through records. Trusting that you will be patient with us until we have compiled all of the available information, I am

Yours sincerely,

LESLIE M. ROGERS, Secretary
